## GEORGE W. ESSEL'S CASE.

To the Editor of the ADVOCATE: Since there are some dissatisfied Democrats, bethonotary. I desire to briefly give a few reasons why he should be re-elected. Let every fair minded man well consider

FIRSTLY-Because he did positively nstance be a candidate next time. This meets squarely what some people regard as the greatest objection, that is all those who object to keeping one man in office forever, as they put it,

official for another and final term. He has served the people faithfully and ably; and they cannot afford to be deprived of his experience and abilities, because a small minority, through prejudice and ignorance oppose him.

TRIBDLY-Because Mr. Esser is a good mber.-Star citizen, and is poor because he has been so liberal and generous with his friends.

FOURTHLY-Because this may be the main reason why the Coal Gazette is so earnestly telling Republicans that they must not vote for Mr. Esser, but that Democratic fools should by all means turn in and vote for, and help elect the Republican candidate, who will be "FREE RAW Democrats and Republicans do not be so foolish.

FIFTHLY-Because he was nominated fairly and squarely, and practically without tion of their fellow men by lives of mean- ite Scotch terrier belenging to, Mrs. Mary. opposition, and more than all he is well ness and oppression, so that when death Bell of Madison avenue. As soon as this fitted and qualified,-(and this is after all overtook them there were no mourners- discovery was made there was a rumpus the great and important thing to the people at large;) therefore what valid reason mostly dissappointed in their taking off.
