

The Carbon Advocate

LEHIGHTON, PA. SATURDAY, SEPTEMBER 26, 1888.

RETURNED AT THE LEHIGHTON POST OFFICE AS SECOND CLASS MAIL MATTER.

NO WORDS A CLEARFIELD COAL MINER who had been sporting the story of oppression...

THE MUGWUMS who are trying to make a party of it...

SPECIAL TO THE CARBON ADVOCATE. BROADBRIM'S N. Y. LETTER.

The enlargement of women's sphere of action is just now occupying some of the brightest female minds...

THREE ARE A GREAT MANY PEOPLE who labor under the impression that communications in a newspaper voice the sentiments and opinions of its editor...

IN A CARD APPEARING IN TO-DAY'S issue Mr. J. L. Gabel, the Republican nominee for Prothonotary...

SEWATER SHERMAN'S BILL IN REGARD to persons who engage in trusts contains a penalty of a fine of \$10,000 and imprisonment...

WE HAVE A SALT TRUST, A LUMBER trust, a sugar trust, a juice, cordage, rubber, envelope, steel, earthenware, Bessemer steel, zinc, paper bag, window glass, patent leather, whiskey and oil trusts...

THE NEWS THAT COMES FROM THE South brings with it the sad tidings of death and suffering consequent to the yellow fever scourge that now prevails so alarmingly and fatally in the fever afflicted districts of panicle stricken Florida...

IT PROPOSED TO AMEND THE FOURTH commandment to make it suit the exigencies of modern society, ideas and enterprises so that it will read as follows: "Remember the Sabbath day to keep it holy—unless you work for the Lehigh Valley Railroad Company and then thou mayest lawfully and hard, for it is said that "by the sweat of thy brow thou shalt eat bread."

THE DEMOCRAT REFERS TO HORACE Heydt, Esq., our popular young attorney, as a "famous cat lawyer." Considering the "scratching" he gave his opponent in that somewhat celebrated case the appellation is not so badly put. Mr. Heydt is a young lawyer of ability and promise and we are pleased to note that he is rapidly rising in the profession.

LOW PRICED JOB WORK. We take pleasure in calling attention to one fact, viz: We are now equipped with the latest styles of type and the fastest running presses which enable us to turn out a very short notice and in the best style job work of all kinds at prices EXCEEDINGLY LOW. Please remember this, prices ten to twenty-five per cent. less than elsewhere.

PERSONAL AND POLITICAL.

President Cleveland has signed more pension bills than all the other Presidents since the war. He will receive the votes of many veterans who never voted for a Democratic candidate before.

The Lanford Record says, anonymously, that "town pride should roll up a big vote for Davis for Judge."

SPECIAL TO THE CARBON ADVOCATE. BROADBRIM'S N. Y. LETTER.

The enlargement of women's sphere of action is just now occupying some of the brightest female minds on this continent, and it seems as if they were gaining something every day.

It was a terrible secret that he carried in his bosom all these years—feeling that he was sitting on top of a volcano that was ready to burst upon him at any moment.

Notwithstanding all our preaching and teaching, all our churches and police, prize fighting flourishes as it never did before. It seems to have become a passion—not simply among the brutal class that cultivates it—but so-called gentlemen abandon their homes and suffer all sorts of privations and stake enormous sums of money on these brutal encounters.
