Respecting tariff, Mr. Cleveland does not smedify his proposition of last December. The Sunday journals are among the most interesting features of our Metropolitan life. I looked over one and found that two entire pages were given over to prize fighters.

"Gentlemen:-I am glad to write you my opinion of 'Ivory SOAP,' and have long intended doing so.

It has become a household necessity with us, If there is an unusually obstinate spot on the clothing, on the woodwork, an ink daub on my desk cover; a polish required for the doorplate or surgical instruments, a cleansing and harmless preparation for the teeth, and a very superior toilet soap needed, we resort to 'Ivory.' We buy it by the box, remove the wrappers, and allow the soap to

Now, if I had saved fifteen wrappers I would ask you to send my little girl a drawing book in accordance with your offer in the Youth's Companion; but as it is, we all feel under obligation to you for manufacturing 'Ivony Soap' for us.

We do not hesitate to recommend it unqualifiedly to all our friends. It is one of the few articles that will do what it is advertised to do."

A WORD OF WARNING.

There are many white soaps, each represented to be "just as good as the 'lvory';" they ARE NOT, but like all counterfeits, lack the peculiar and remarkable qualities of the genuine. Ask for "Ivory" Seap and insist upon getting it. Convelebe 1885 by Proctor & Gamble.
