Dress the Hair

With Ayer's Hair Vigor. Its cleanliness, beneficial effects on the scalp, and lasting perfume commend it for universal toilet use. It keeps the hair soft and silken, preserves its color, prevents it from falling, and, if the hair has become weak or thin, promotes a new growth.

"To restore the original color of my hair, which had turned prematurely gray, I used Aver's Hair Vigor with entire success. I cheerfully testify to the Efficacy

of this preparation."—Mrs. P. H. David-son, Alexandria, La. son, Alexandria, La.

"I was afflicted some three years with scalp disease. My hair was falling out and what remained turned gray. I was induced to try Ayer's Hair Vigor, and in a few weeks the disease in my scalp disappeared and my hair resumed its original color."—(Rev.) S. S. Sims, Pastor U. B. Church, St. Bernice, Ind.

"A few years ago I suffered the entire loss of my hair from the effects of tetter. I hoped that after a time nature would repair the loss, but I waited in vain. Many remedies were suggested, none, however, with such proof of merit a Ayer's Hair Vigor, and I began to use it. The result was all I could have desired. A growth of hair soen came out all over my head, and grew to be as soft and heavy as I ever had, and of a natural color, and finally set."—J. H. Pratt, Spofford, Texas.
