Dr. H. B. REINOHL,

OFFICE HOUSE: The va. m. and blot p.m. Ver

I through the service that whatever a ddier could lay hands on should become low at the Indiana. They crippled them includy as well as in a military sense, nd the people have never recovered and ever can. The amount of lost taken out f India daving the rebell on and directly fterward has been estimated at \$200,000,-00. As much more was contributed to the bel cause by those who could give Twice three times as much was lost by fire and word. England reasoned that an impov rished people could not rebol, and loot was

a part of her war policy. Fen years after the mutiny I was talking ith a mahamjah in the district of Punjah bout the financial change in the condition the people, and he said;

"At the outbreak of the war our peop urled or hid away at least a hundred mill on dollars. I do not believe that a teath art of this great sum has yet been recovred. Those who secreted it were dead seture the close of the war and this yast reasure is lost to us."

I did not tell him that I had put in a year and speet apwards of \$2,000 looking for ome of that treasure. Such was the fact owever. A couple of Englishmen and self, forming an acquaintance in Bomay and baving a spirit of adventure, pooled or cash and followed up several pointer ooking to buried treasure. We had thuar failed to make any discoveries, and one artnership had been dissolved, the men ret cruing to Bombay. I was in the Punjaln business connected with an America ouse and had giver up the treasure busiess in utter disgust. The words of the naharajah recalled all my enthusiasm, now ver, and within an hour after I left him was determined to have one more pull for Bank Street, Lehighton, Pa., ortune and to go it alone. This determi sation was bastened and solidified by an . her incident. I was talking with the cap t in of a native infantry regiment regarding ne rnins I had encountered, and he said "You may have left a dozen fortunes be ind you. At the outbreak of the war the ople concealed a great deal of their wealth caves and temples and a big share if i-Largest Assortment of Library there yet. When you stumble on a pile f roins again give the place a good looking

ver for loot." " n' the natives have done so a hundred

being recovered?" I asked.

ains of a temple near Bhaulpul." The next day I started for Delhi, and

nd when he learned that I had had coniderable experience in that line he engaged stending to take to the plains and jungles etween that city and Jodpur, we had six onlive servants to carry the baggage. Our rogress was slow and easy, as it was his stention to make a very ful collection he country over which we passed had no mes of railroad then and was unknown to hite men, except as they hunted through There were tigers and other wild game plenty and it seemed to be the nurser all India for serpents. There were dass hen we could not march except as the round was beaten by the natives in our ront. There was a thin population, with he villages far apart, but as an offset the atives were giad to render any aid, espeible. This district had been almost depop Petty rulers had been deposed, taxes levied

ation as they talked about it. My one object was buried treasure, and ive miles away. He had had a narrow es | was a list of the names of the owners. Mouldings, Brackets, ined to visit them.

A Great Treasure. the ruins by day he would certainly be at everything in the shape of contents had home. Bright and early next morning I been removed. Without a doubt some na Before the occupation of India by the was ready to start. My excuse to the protritish it was the richest country in gold, fessor was that I intended to look for a cer- as I worked, and he had given the alarm recions stones, rare jewels, fine cloth and tain bird which he had been very anxious and brought a party to the spot during the utlers of any on earth. While the poor to secure, and never noticed that I took my night. I got \$25,000 out of it as it was, but heavy rifle instead of a shotgun. I also had it only served to annoy me. At five o'clock ich. This was so even up to the time of a revolver and a knife and it was not more in the afternoon I had the wealth of two or the breaking out of the great mutiny. When the British troops were fairly in line to trike at the rebellion the watchword was branched and there I struck the path that trifle I had carried away to prove the fact Revenge and loot." It was understood the native had described. As near as I of my discovery. It was my first and last

is plunder. They slidn't fight any the jungle and the creek, and at the first soft every dollar of the spoil caused the death orse for that, but they struck a double spot I found the imprint of a tiger's paws. of a native. They were fre-h, too, and there was no doubt of his being at home. As I proceeded the path wound about in the most eccentric manner, while the jungle grew thicker. miles south of Shade Mills, in Garret cour One could not see five feet in any drection ty, near the sight of the old Braddock road and the air was shut off.

rulns came in the shape of a block of dressed mated to be at least three hundred years stone lying right across my path. As I old. In cutting it up the saw, going through stepped upon it a great corbra wriggled some tough substance, then supposed to be slowly away from my feet, and I saw bald a knot, attracted much attention, and in a dozen columns and lengths of wall aris- vestigation disclosed a bullet embedded ing among the bushes. Fifteen years be- within two inches of the heart. The tree fore here had been a clearing of perhaps at this point was thirty-two inches in dia-100 acres, with a village of several thous- meter. About one-third of the bullet was and people and a temple covering half ar sawed away, the remainder weighing at scre of ground. A man-eating tiger now least an ounce, being left in a corner of the LEDGER BUILDING held sole possession, while the clearing had butt end of a shingle. The bail is supgrown up to jungle, and fire or explosion posed to have been shot from a musket by had labi the great temple in ruins. Ten one of Braddock's men during the cam feet ahead of me was a second block. I paign which culminated in the disaster at massed to that, and then the path turned to Fort DuQuesne. In this eyent the bullet the right and ran over a fallen wall. As I was imbedded in the tree 133 years ago, eached this latter place and looked around the tiger was stretched out on the earth is a most interesting memento of the illbefore me in a little open space. His legs starred campaign of 1755, -Baltimore, Md., Price 50 cents. Sold by T. D. Thomas. were drawn up and he was gasping, and, Sun. though I was greatly starded for a moment. I soon realized that he was dving. Indeed, he did not live two minutes afte

set e es on him. As I afterward learned. he natives had poisoned the body of a man ne had killed and only half devoured, and in flaishing his repast on human flesh ue met his death. He had doubtless just ceturned from satisfying his thirst at the reek. It was well for me that I did not come a few minutes earlier. I examined the body closely and found the tiger to be old and mang , with many of his teeth decayed. These were sure evidences that he was a "solitary," and had no mate. I need therefore, have no fear that any other animal more savage than a hyenz was concealed in the vicinity. The temple seemed to have been blown

up with gunpowder. The walls were torn and whether he is of a quiet or excitable and rent and knocked down in every direction, and column and block and carved are in many cases not felt at all until the work in heaped together in strange con- blood comes and the man gets exhausted fusion. I was bewildered to see the vege- When the bone is struck the shock is great tation growing up through the ruins so and accompanied by acute pain. I ou are wrong. Where they knew of sasure ther may have uncarthed it, but hey fight shy of rambling about hap hazine by fight shy of rambling about hap hazine the remains of a shrine or altar which had the remains once been the cleanest of marble. It was now stained and moss-grown and covered of find hyenas and serpents about."

"Have you ever heard of any treasure have going the covered of the cleanest of marble. It was now stained and moss-grown and covered with creepers. To look for buried treasure in such a jungle was like looking for a shields was shot through the breast during the breast dur needle in a haystack; but I had come for the Mexican war and lived to an advanced school should ever be established among "Haif a dozen instances, sir. The former that nurpose and felt that I must make a age. The worst hits are of course those by those blobber eaters it would not seem at again of this company went home with beginning. Flinging several stones into 250,000 after doing two hours' work in the he bushes to frighten lurking serpents mortal, as they take off arms or legs, or the sters pipe up such names as 'Go-to-Hallfax.' away, I put down my gun and began at the head of a man, as was the case of a captain creepers. In a little while I uncovered of a southern battery at the battle of Pea here a bit of good fortune a waited me. I what I said was an altar or shrine. It may Ridge. Splinters of shells are less danger il in with a German naturalist who was not have been. From the stone floor there our, but when thrown into groups and col paking a collection for a national museum. was a solid wall about four feet high, inclosing a space about six feet square. The stone which rested on these four walls was ne as assistant. He had two young men a foot thick, and carved around the edges. with him, thus making a party of four, and I could not tell whether the walls inclosed then we struck to the southwest of Delhi. a space or the whole cube was solid as a support for a pillar, but after a close inspection I discovered a spot where the end of a lever might be inserted. I had brought a hatchet to help me through the jungle. When halting on horseback on the right of With this I cut and trimmed a small tree, and after much effort I loosened the cap stone until I could see that the wal's enclosed a space. On the surface of this capstone I clearly made out where the foot of a pillar, which probably helped to support those who were wounded. - Chicago Ledger. the roof had rested. It lay near by, but

was broken by its fall. It was not more than eight o'clock in the morning when I reached the rulus, but it exuberant humor. Its fun is superficial do cure all diseases of the liver, kidneys or slower than meets. was two o'clock in the afternoon before I and obvious; but more is meant than meets had the heavy stone slewed around far the ear or eye. The vehicle which ran for ally as soon as the learned that we did enough to meet its equilibrium and force a hundred years and a day without a break ot belong to the ruling race. The hate it too fall off. I was in a tremble of ex- typifies a healthy human body, and reprebey felt for the English was something ter citement from the first, and as I slewed the sents the natural term of its service. If, stone further and further around I felt however, a man has catarrhal, broughial, stated and quite impoverished by the was, more and more sanguine of a large cavity asthmatic, or puluionary disease, he can beneath. I would not look in, however, not live out half his days, unless he eradiwith a heavy hand, and the natives worked until the stone was clear off. When I did cates the scrofulous humors whose pres nemselves up to the highest place of indig bend over the wall and look down it was ence causes these local troubles. That to find a wooden chest occupying nearly all great blood cleansing alterative of Dr. the space. I sounded it with the pole and Pierce, known as the "Golden Medical Diswhile doing my duty by the professor I had it gave back such a solid echo that I saw covery," rids the blood of scrofulous polluo tunity for extensive rambles off the that I must pull the wall down to get at it. ine of march, and I never fafled to make This took me an hour or more, as the plasnquiries of natives. This, as I afterwards let was as hard as the stone, but at length carned, was the worst policy I could have I was at the chest. It was closed but not clopted. Every ruin was sacred to them, locked, and as I threw up the lid my eyes every white man was a defiler. One might beheld such a sight as will seldom come to well have asked them to forgive caste as man. That chest held a good solid ton of to have expected them to locate the rules loot, how many tens of thousands of dol f a religious temple for a white man. We lars worth I cannot say. There were brace ad been out about twenty days, and at this lets and rings, earnings, charms and bars ime were in a permanent camp in a grove of gold. There were diamonds and pearls of mango trees on the bank of a river, when and rubles and other precious stones. Some ryot or common laborer passed through were in leather bags, some in parcels, some ur camp on his way to his village, about thed together, and on the lid of the trun

ape from a tiger and was greatly excited. I hung over the chest for perhaps half ar and when I asked him to locate the Least hour, hardly daring to breathe for fear it se placed him among the rums of an old would fly away. I was rich-rich beyond emple to the west of us and not more than the wildest dream of man. This was loot. two miles away. The ruins were in a heavy it was all mine if I could keep the find jungle, but he told me how to strike a path from the government officials. I could not which led near them. But for his excite remove it without help. I was a stout nent he would not have betra ed the loca man, but I could not have lifted one end on. In about three hours he returned to of the chest clear of the ground. I took a eil me that he had been mistaken in the paper containing four diamonds, a package scation, which was to the south instead of of gold coin which counted up \$1250, and the west, and if he had said ruins be meant a couple of bars of the metal, and started rocks. I was not decrived by his second back to camp on a run. I had been so statement. He wanted to keep me away saken up with my work that I had given r in the rules, and of course I was de.er no attention to an thing else. I now discovered that the heavens were rapidly If I went I must go alone. Neither the darkening, and I had only just reached professor nor his young men had ever fired camp when a terrible storm set in, and anything more feroclous than a jackal. | never let up a moment until after midnight. and they had no idea of risking themselves | The story of my discovery was told only to with a tiger. I had killed two or three the white men of the parts and created induring my jounts about the country and Lense excitement, but the storm and darkwas quite certain of my nerve in case of ness prevented any move. As soon as day-Hemlock Lumber, &c., &c. another meeting. The native had described light came, however, we were off, but a

The Verdict Unanimous.

W. D. Solt, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bettle sold has given relief in every case. One man took six bottles, and was cured of Rhenmatism of 10 years' standing." Abraham Hare, druggist, Bellville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters.

-The guillotine block is one of the Franch polling places.

IT IS A CURIOUS FACT

That the body is now more susceptible to benefit from medicine than at any other eason. Hence the importance of taking Hood't Sarsaparilla now, when it will do you the most good. It is really wonderful for purifying and enriching the blood, creating an appetitte, and giving a healthy tone to the whole system. Be sure you get clood's Sarsaparilla, which is particuliar to

-A philosopher once remarked that be belped elect a certain man to Congress because he was so lazy he couldn't do any harm. -An editor's wife never goes through

her husband's other pocket to strike a package of love letters. Editors are not like the wicked, unfaltaful men of the world-editors rarely bave other trousers.

That tired, debilitated feeling, so peculiar to spring, indicates depraved blood. Now is the time to prove the beneficial effects of Ayor's Sarsaparilla. It cleanaes the system, restores physical energy, and infuses new life and vigor into every fibre of the body.

-The elements are angry when the waterspout.

HAPPY AND HUNGRY. For over five years I was a constant sofferer with that most terrible and anneying disease, dyspopsia. After paying out hundreds of dollars, the only medicine I found that would do me any good was Sulphur Bitters. Six bottles cured me. Now I can cat well and am happy and

hungry-[Eprron. -Tourist (to stage driver in the Yellowstone region)-"Are there any wonderful curiosities to be seen in this region, driver?" Stage driver-"Wonderful curiosities! Well I should say there were! Why, you drop a reck down that gorge, come back in three days and you can hear the schof
