A NEW DEPARTURE.

Said Uncle Sam: "I will be wise, And thus the Indian civilize: Instead of guns that kill a mile, Tobacco, lead and liquor vile, Instead of serving out a meal, Or sending Agents out to steal, I'll give, domestic arts to teach, A cake of 'Ivory Soap' to each. Before it flies the guilty stain,

The grease and dirt no more remain ; Twill change their nature day by day, And wash their darkest blots away. They'll turn their bows to fishing-rods, And bury hatchets under sods, In wisdom and in worth increase. And ever smoke the pipe of peace; For ignorance can never cope With such a foe as 'Ivory Soap."

A WORD OF WARNING.

There are many white soaps, each represented to be "just as good as the 'lvory';" thay ARE NOT, but like all counterfeits, lack the peculiar and remarkable qualities of the genuine. Ask for "lvory" Soap and insist upon getting it
