Bright's Disease.

My little girl, ten years of ago, was taken sick to March, 1899, with scarlet fever. When resovering the took a severe cold, which developed Bright's Disease of the Kidneys. Her ankies, feet and eyes were terribly swollen; she had a burning fever, and all the symptoms of an amrayated case of Bright's Disease. Four of our best physicians attended hes, but with a second or the standard productions.

Her Life was Despaired of. But a mother's love and prayers surmount all desculies, and I determined to try Dr. David Kassafr's Favorite Remedy, made at Randout, N. T. This was a last resert, and I hoped, although my little sagnitur's case was a very severe one, that the Favorite Bemedy would de for her what it had done for allow whose condition had not been, seemingly, as headers. How happy I am that I determined upon his
