An Important Element

Of the success of Hood's Sarsaparilla is he fact that every purchaser receives a air equivalent for his money. The familiar head-line "100 Doses One Dollar," stolen by the imitators, is original with and true only of Hood's Sarsaparilla. This can easily be proven by any one who desires to tes the matter. For real economy, buy only Hood's Sarsaparilla. Sold by all drug-

-"Papa, what was Adam's other name?" Just after the fall his name was Dennis!

Uh. What a Cough.

Will you heed the warning. The signal erhaps of the sure approach of that more errible disease, Consumption. Ask yourselves if you can afford for the sake of sav. ng 50 cents, to ran the risk and do nothing for it. We know from experience that shiloh's Cure will cure your cough. It never fails. This explains why more than a Million Bottles were sold the past year It relieves croup, and whooping cough at nce. Mothers do not be without it. For ame back, side or chest, use Shiloh's Por sus Plaster. Sold by T. D. Thomas, Le highton, W. Blery Weissport,

"We didn't get the last pig in the pen intil then, mamma."

A New Principle.

A great physician has discovered that the true way to act on the liver stomach, sowels, etc. is through their nerves. Miles' Pills, the smallest and mildest. Samples THOMAS & BIERY.

-The first impulse of a boy with a new watch is to assure himself that none of its 175 parts are missing.

WEAK WOMEN.

The more sensitive nature of the female sex renders women much more susceptible than men to those numerous ills which spring from lack of harmony in the system. spring from lack of harmony in the system. The nervous system gives way, sick headache is frequent, the appetite is lost, and other ailments peculiar to the sex came great suffering. Hood's Sarsaparalla is peculiarly adapted for such cases, and has received the most gratifying praise for the relief it has afforded thousands of women whose very existence before taking it, was only misery. It strengthens the nerves only misery. It strengthens the nerves, cures sick headache and indigestion, puri-fies and vitalizes the blood, and gives regular and healthy action to every organ the body.

Mrs. Mumphrey Ward is engaged upon

A woman's directory is about to be published in Chicago. There are said to be 9,000 women doctors in the United States.

Miss Emily Faithfull is said to contemplate another visit to America.

Mrs. Frances Hodgson Burnett has gone to England for the summer. Queer Marguerite, of Italy, is one of the test violoncello players of the day. Some Boston ladies have started a so-

ciety for the cultivation of restbetica mong the masses. The city of Seattle, W. T., has a lady, Miss Julia E. Kennedy, as city superintendent of schools.

Two hundred and seventy-five ladies are clergymen in the United States and occupy pulpits as such. Two thousand ladies voted at the De-

They were very politely received at the London, England, has a police matron at every one of its many stations, to take proper care of all women who are

troit school election on very short notice

Sarah Orne Jewett recently told friend that she had written as much as 6,000 words a day, besides letters, etc. Her usual average is 2,500 words.

The Utah women are organizing to regain the suffrage, which they had for seventeen years, and which they were deprived of by the Edmunds law. Thirty-six out of forty-seven states and

territories—more than three-fourths— have appointed Mrs. Ella F. Braman, of New York, to the office of commission

Women are voters in various degrees in every province of Canada. Sir John A. Macdonald, prime minister of the Do-minion, favors their voting for members of parliament. The women of Washington territory are working hard to retain suffrage in

the new state. Mrs. Lerelda N. McCoy, of Scattle, and Mrs. Barbara J. Thompson of Tacoma, are their leaders. About 3,000,000 women have voted in Efigland the past year, at city, county, rillage, school and parish elections. They

out one, member of parliament. Twice as many women voted in Kansas this year as did last. The number who voted this year is over 40,000. There are 283 cities in the state where women can vote for mayor and other city officers. One of the most indefatigable and in teresting living writers is Mrs. Margaret Oliphant. Her novels are particularly remarkable for their accurate painting

can vote there for all elective officers

of Scotch characteristics. She is Scotch herself, and is 61 years old. The vote in the Massachusetts house of epresentatives for the municipal woman suffrage bill nearly doubled this year. Last year it was 50; this year it is 90 result of the voting of 17,000 Boston we

men at the school election last December. The convention of royal and parliamentary burgs of Scotland has passed, on motion of the junior assessor for Edin-burgh, a resolution favoring women's voting for members of parliament. The common councils of many cities have ione likewise.

The late queen mother of Bavaria has been well called the "Mother of Sor-She had little influence over her son, the late King Ludwig, but she always had hope that the reason of her other son, Otto, the present mad monarch, would be restored. Gen. Sherman refuses to give permission to several ambitious writers who are

esirous of preparing a sketch of his late

wife. "In my conclusion," says Gen.

Sherman, "I am joined by my children who with me are cognizant of their mother's wish in this respect." Three women, a mother and two daugh ters, pay the whole of the taxes in their ward in a Missouri town. They say the do not object to paying, but they think it very unfair that they are shut out from voting on laying the taxes they have to pay or on spending their own

Disarming an Unseen Foe. "This was sometime a paradox," as Hamlet says. Tince, however, the people America and other lands have been enabled to pit Hostetter's Stomach Bitters against that unseen foe, malaria, it is no longer a paradox, but an easy possibility. Whereever malaria evolves its misty venom to poison the air, and decaying unwholesome vegetation impregnates the water, there, in the very slonghold of miasma, is the auxiliary potent to disarm the foe and assure efficient protection. Feyer and ague, billious remittent, dumb ague and ague cake, no matter how tenaciously they have fastened their clutch on the sysem, are first forced to relax their grasp and eventually to abandon it altogether But it is its preventive force that should chiefly reccomend the Bitters to person dwelling in malaria-cursed localities, for it is a certain buckler of defence against which the enemy is powerless. Cures, likewise, dyspepsia, rhenmatism, kidney and dillous allments.

-There are different ways of showing wrate; the tea-kettle sings awestest when
