"In one store where I went to buy Hood's Sarsaparilla the clerk tried to induce me buy their own instead of Hood's; he told me their's would last longer; that I might take it on ten days' trial; that if I did not like it I need not pay anything, etc. But he could not prevail on me to change. I told him I knew what Hood's Barsaparilla was. I had taken it, was satisfied with it, and did not want any other.
