WHAT IS

SCROFULA It is that impurity in the blood, which, ac-cumulating in the glands of the neck, pro-duces unsightly lumps or swellings; which causes painful running sores on the arms, legs, or feet; which developes ulcers in the eyes, cars, or nose, often causing blindness or deafness; which is the origin of pimples, can-cerous growths, or the many other manifesta-tions usually ascribed to "humors;" which, fastening upon the lumps, causes consumption

By taking Hood's Sarsaparilla, which, by the remarkable cures it has accomplished, often when other medicines have falled, has proven itself to be a potent and peculiar ment in this section. Hespectfully, W. F. BIERY, Draggist. medicine for this disease. Some of these cures are really wonderfut. If you suffer from scrofula, be sure to try Hood's Sarsaparilla. "My daughter Mary was afflicted with scrof-nlous sore neck from the time she was 22 months old till she became six years of age. Lumps formed in her neck, and one of them after growing to the size of a pigeon's egg, became a running sore for over three years. We gave her Hood's Sarsaparilla, when the lump and all indications of scrofula entirely dis-appeared, and now she seems to be a healthy child." J. S. CARLILE, Nauright, N. J.

N. B. Be sure to get only Hood's Sarsaparilla Sold by all druggists. \$1; six for \$5. Prepared only by C. I. HOOD & CO., Apothecaries, Lowell, Muss. 100 Doses One Dollar
