A UNION B. OF L. E. MEETING Chief Arthur Presides Over a Well Attend

Special trains brought to Lehighton on unday morning between three and four undred members of the Brotherhood of occumotive Engineers to attend the union meeting in the Opera House under the auplies of Lehigh Division, No. 376, B. of L. E. The special secret session convened at 10 o'cleck and lasted until after 12, and was attended by the convened at the con keeper in Snyder's stere, is confined to the house on account of sickness.

—'Squire Buck and Constable Setzer represented the majesty of the law from this place in the Pfne Swamp region during the week.

—Weissport Evangelicals have subscribed for eleven tents at the camp-meeting at Bowmanstown next week. The whole number of tents signed for up to date is fifty.

—Our young friends Harvey Albright and Miss Emma Knauss were happily made "one" by Rey. A. Bartholomew on Saturday afternoon. The young couple have the hearty congratulations of many friends for a safe journey through life.

—Levi Horn, Aaron Snyder, William Biery, Austin Boyer and Doug Arner, Weinsport's most genial spirits, enjoyed Sunday at the Tripoli camp-meeting. The trip home was made by way of Slatington, over the toll bridge and up the valley.

—August Degree represents a model to "cleck and lasted until after 12, and was attended by representatives from the following divisions: 30, Phillipsburg, N. J.; 53, Monumental, N. J.; 53, Monumental, N. J.; 53, Hodson, Jer. Sev City, N. J.; 157, Central, Jersey City, N. J.; 171, Hoboken, N. J.; 166, Samuel H Dotterer, Carbondale, Pa.; 255, Onoko, Mauch Chunk; 259, Easton; 263, Wilkesburg: 272, Fairview, Mountain Top; 276, Sam. Sloan, Scranton; 316, Hazleton; 337, W. W. Sterns, Junction, N. J.; 373, W. A. Roebling, Trenton, N. J.; 380, Savre, Pa.; 403, G. B. Smith, Dunmore, Pa.; 414, R. H. Coleman, Lebanon, Pa. Grand Chief Arthur presided and explained himself on several questions of policy connected with the management of the Brother-hood. The meeting was one similar to many that have been held in various places during the past mouth or more and are supposed to have a political complexion. Besides Chief Arthur there were present other well-known railroad men, including W. H. Guerney, of Jersey City. — Miss Ella Peters is at bome of south Bank street, a first a delightful visit to be sister, Mrs. Lines Groo, of New York City.

FROM THE COUNTY SEAT

The Week's Doing's written up in a Live--A swan boat with a seating capacity

—Richard Conerty, of Penobscot, a brakeman on a Central freight, had his thumb mashed while making a coupling at the round house on Tuesday. Conerty was sent to St. Luke's Hospital at Bethlehem.

—The Electric Light Company are making all possible haste to establish the plant; the old mill is being changed considerably. The company are going to put up a very

the old mill is being changed considerably. The company are going to put up a very handsome building which will not only benefit but beautify the town.

—The First Presbyterian church is being repaired. The improvements will be on a very extensive scale and requite an outlay of very near or quite \$6,000. The edifice is closed sow, and Rev. Stevenson takes his vacation during the month of August. Himself and family are now at Nantucket.

Lohn McCare and the part of the teachers attending.

—Charles Bowers, is sixteen years of age; by the Poor Directors of Northampton county he was bound to George Johnson, a prosperous farmer near Big Creek, until the end of his eighteenth year. A few weeks ago he grew tired of his apprentice-ship and skipped and has not been seen or heard of since.

—Lewis Green, of Eldred township, in Mooroe county, just across the Carbon line, died on Friday after a short illness. Decased was employed on a farm and was

—John McCann, a young man from Nesquehoning, met his death at Treichier's on the C. R. R. of N. J. It is supposed that while working at the brake he fell from the car. The back part of his skull was crushed in. He was a member of the Brakeman's Brot herbood.

—The several Council.

—Didine Snyder the genial proprietor of the several Councils of the Royal Arcanum along the line of the D. L. & W. R. R. from Roseville to Dover have in contemplation an excursion to Mauch Chunk and Glen Onoko, early in September, under the direction of F. J. Griffith, the assistant superintendent of the road.

—Didine Snyder the genial proprietor of the popular Iron Exchange Rotel, Parry-ville, was away from the cares of his business enjoying a delightful coaching trip with his family through parts of Berks and Lohigh counties during the past week. While at Alburtis, Penna., they were the guests, of Aboil Snyder, formerly doing business in Carbon as a hutcher.

tracted considerable attention Monday fair way of recovery, though the won evening. A few days ago he noticed a gives him much pain.

-Central Raliroad engine No. 280 exploded her botter Monday at one o'clock p. ni., while standing on a siding at Drake's Point, waiting for a passenger train to pass. The boiler blew out from the dome to the stack. Conductor Hennesy, who was on the engine at the time, was severely scalded by the escaping steam. Engineer Duniap and Fireman Serfass escaped with slight injuries. The engine has only been out of Ashley shops a few days. As yet no cause has been assigned for the explosion.

—At the late meeting of Pisgah Lodge.

bouse at this place.

—Everything is in full play; plenty of strangers in town wuo seem to enjoy themselves among the mountains.

—Edward Griffiths has been given the work of laying 10,000 feet of pipe for the Weatherly Water Company. The line will extend from the Weatherly reservoir to

-A swan boat with a seating capacity for twelve will be placed on the river at Glen Onoko by Passenger Agent Byington.

-Elmer Keiser, junior proprietor of the Broadway House, is very happy, a new guest has arrived in the person of a young lady.

-A camp of Junior American Mechanics will shortly be instituted at Kunkletown, Monroe county near Carbon's line. A hall for its accommodation has already been built by Joseph Teel, the town's merchant.

-Leas Williams, aged 21 and Edward Evans, aged 18, both of Slatington, have guest has arrived in the person of a young lady.

During last year the Mauch Chunk Shoe Manufacturing Ce. made 34,100 pair of shoes for which the company paid out in weekly wages the snm of \$12,470.50.

Richard Conerty, of Penobscot, a

guests, of Aboil Snyder, form business in Carbon as a butcher. -The L. C. & N. Co. have under way of erection a coal schute which when finished will allow the teams to drive under and lead without using the shovel. It is unfortunate that the company could not find some other place than along Susquehanna street for the unsightly concern.

-E. R. Siewers has a cactus which attacked considerable attention Monday fair way of recovery, though the wound —Prof. E. S. Dieter, of Muhlenberg Col-

evening. A few days ago he noticed a shoot spring forth which soon developed in to a large build and at eight o'clock the bud opened into a magnificent white and pale yellow flower. Upon examination a half dozen buds were discovered and it is possible that a number of other flowers of this rare plant may come to perfection soon.

—Central Railroad engine No. 280 exploded her boiler Monday at one o'clock p. In., while standing on a siding at Drake's Point, waiting for a passenger train to pass. The boiler blaw out from the dome

—It is reported the Coxe Bros. & Com-pany have made a successful find with the diamond drill at their Beaver Meadow Coldiamond drill at their Beaver Meadow Colliery to the east of the villiage. While drilling on the Lehigh Valley Railroad Company's property at the depth of several hundred feet the drill passed through about twenty feet of coal, supposed to be the Big Vein, and further progress was prevented by the drill breaking. The workmen claim that the coal "is much thicker." Already many additional improvements there have been talked of. The entire surface over mountain and valley has been honeycombed by drill holes during the past two years, several hundred holes having been put down but not until the present have any more
