The Mauch Chunk Girl.

"Queyedo," a writer in the National Police Gazette, of a late issue says in this town at its south end, striking th concluding an article on the Switch-back rich valley of the Mahoning, Tamaqua, the railroad, "And now a word about the Schuylkill region, thence on through the ess of some weeks. Harry Welsh was out haking hands with friends this week.

—Al Oplinger, salesman for Nathan tempestuous billiows be a prosperous and happy one.

Mauch Chunk girls. Bred on pure mount tain air drawn from the hills, they can't help being pretty, luscious and entrancing. Nearly all of them wear glasses. The hills as a fact that the road will be built and the road wi Nearly all of them wear glasses. The hills are so high that they become near-sighted looking to the top of them, and the glasses give them a distinguished and learned appearance that is not worn by a girl who has only an every-day, common pair of eyes to wink at fellows with. The brisk country air renders them somewhat chilly. country air renders them somewhat chilly, when the key barrier is once broken they direct line. Our people will find employ in the arm-chair with the lover of their choice. Children will not be allowed adthrough.

This fact led me to indite the following poem while I was up there:

Here's to the Mauch Chank girl!
The Buraing Mine young girl!
The hugable twitching and really bewitching.
The dara-devil Switchinack girl!
But durn the ice Cave young girl!
The cold-blooded, nalve, young girl,
The billious and keep-off-the-grass-supercillious.

The touch-not-the-plants young girl!
