## HEADACHE TROCHES

SICK BERADACHE

-IN ITS-NERVOUS, BILLIOUS, OR CONGESTIVE FORMS

This Remedy is the prescription of one of the leading physicians of Paris, France' and wasused by him with unparallaled success for over thirty years and was first given, to the Public as a proprietary medicine in 1878, and since that time it has found its walinto almost every country on the face of the globe, and become a favorite remedy with thousands of the leading physicians. Medical societies have discussed its maryelous success at their annual conventions, and after their official chemists have analyzed it and found that it contained no opiates, bronkles, or other harmful ingredients, quietly placed it among their standard remedies.
