### Satisfaction.

There is a good deal of satisfaction in being perfectly satisfied, and especially so in regards to what you wear. In this particular we invariably more than please our patrons. Our stock being large, varied and complete gives satisfaction in making a choice of the satisfaction. To the Editon—Please inform your read-rest that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cared. I shall be glad to send two bottles of my remedy free to any of your readers who have consumption if they will send me their express and postofice address. Respectfully, T. A. Slocum, M. C., 181 Pearl st., New York. satisfaction in making a choice of goods desired, while in style, finish and work- grudge, pay him. manship our reputation speaks far more eloquently than word. BRIGG'S

#### HEADACHE TROCHES

SICK HEADACHE

---IN ITS--

NERVOUS, BILLIOUS, OR CONGESTIVE FORMS.

This Remedy is the prescription of one of the leading physicians of Paris, France and wasned by him with unparallated success for over thirty years, and was first given to the Public as a proprietary medicine in 1878, and since that time it has found its way into almost every country on the face of the globe, and become a favorite remedy with theusands of the leading physicians. Medical societies have discussed its marvelous success at their annual conventions, and after their official chemists have analyzed it and found that it contained no opiates, bronsides, or other harmful ingredients, quietly placed it among their standard remedies.

TESTIMONAL.

L. B. BROWN, M. D. 23 West Jersey St., Elizabeth, N. J., June 28, 1889

This is to certify that I have used for some months with much satisfaction, the combination of remedies, for Heanache, known as Brigg's Headache Troches. The remedy cures more headashes especially such as effect Nervous Women than snything I am acquainted with, and it this certificate will be the means of bringing it to a favorable attention of sufferers from that "ouble, I shall feel that I have done them a service.

A WOMAN OF EXPEDIENTS, and told them to open the door.

"Everything in?". Mr. Pierce gave his brown leather ie took it up.

"Certainly, Dave."

"Well, good-by, then! I'll be back on most choking her. Wednesday. I hope you and Myrtle von't be nervous. "Oh, no!" replied Mrs. Pierce. "We'll fasten all the doors and windows se-

She was a little, wiry, energetic, brown skinned woman of about 35. She had mapping black eyes, a good deal of gold filling in her teeth, and was evidently ossessed of the most complete self con-

"But the kitchen window won't fasten, Miranda. What is worse, it won't even lose. I pushed it up this evening, to throw a lump of coal after that dog of Bruce's, that was in our back yard, and stuck fast. I tugged my best, but couldn't get it down. We will have a carpenter fix it. Be sure you send for one to-morrow. But to-night"— "Now don't you worry, Daye," advised Mrs. Pierce, briskly. "I'll fix that

expedients." "Well, good-by, Miranda!" He bobbed his sandy head and gave er the brief, business like kiss which expresses about as much affection as a dig in the ribs.

"Good-by, Myrtle!" "Good-by, pa!" said Myrtle, She was an angular child of 12, with a pale, hatchet face, a pair of round, wa tery blue eyes, and an air of alert timid

"And now," said Mrs. Pierce, bristling with expedients, "we will see to that She was locking the door after her liege

"How, ma?" "Come and help!" was the tense and indirect reply.

The house was a framedwelling, which tood in the meager grounds allotted to the majority of even those city houses which are not rigidly "blocked," The kitchen window looked out on a narrow strip of back yard, which ran lirectly to the alley in the rear.

Mrs. Pierce lit the gas, revealing myr ads of water bugs scuttling around the

"Well?"

She was exerting all her strength to put down the perverse window. "I'm so afraid of the bugs. Let's g

'It's burglars, not bugs, you'll have to be afraid of if we don't get this window fixed," gasped Mrs. Pierce with grim em phasis, as she realized her efforts to peruade the obdurate frame were futile, a her husband's had been. "We'll have to go down stairs and

bring up a couple of washtubs," she Her particular ability was beginning

o exhibit itself. When they had brought the tubs up-stairs and placed them before the win-dow they filled them from the kitchen Between them she placed a chair, an

thereon balanced frying pans, bread pans, gem pans, jelly cake pans and pi pans.

Then she produced a hammer, a string

and a couple of double pointed tacks. The tacks she drove in lightly at each side of the window casing and ran the string through. One end of it she tied to the handle of the dinner bell and the other around the neck of a bottle of am-

Directly in front of the sill she place large mustard can, with the lid very lightly laid on. It did not contain anything so mild a

"Now," declared Mrs. Pierce, steppin back to view the result of her labor, "il any burglar gets in there without our earing him, it's a queer story. He's cer tain to flounder into the water, knock down the tins, ring the bell, break the bot

tle of ammonia and get the red peppe into his eyes into the bargain. And serve him right, too!" in aggrieved anticipation of a possible intruder. Myrtle's round eyes were rounder than "Oh, ma, it's worse than dynamit

ain't it! Oh, ma, you're an awful smart woman! Ain't you, ma?" Miranda Pierce smiled the smile of appreciated supremacy. But she only an-

swered modestly: "I have a genius for expedients. When, after having made a final reviewing round of the house they went up stairs to bed, the spouse of David

Pierce produced a revolver, which she tucked under her pillow. "Now if we hear the crash in the kitchen. Myrtle, I'll just open the win-

dow, fire off the revolver, and yell, 'Po-Myrtle shuddered reverentially at such a heroic resolution.

"Oh, ma, you're awful brave!" she whispered, as she got into bed and covered her head up tightly in the clothes, The night wore on—a warm, moist, dark August night. Mrs. Pierce, profoundly confident of the success of her barricade, should an entrance be attempted—or rather assured in such ease she would be aroused, and brimful of other equally clever expedients-went placidly to sleep: But wide-awake, half suffocated, shaking with terror, Myrtle

wered by her side. Eleven! How could her mother sleep when those terrible burglars might even now be creeping up the back yard? Another hour of agony dragged by.

There was the clink of a bell as it clattered to the floor, an appalling rattle of falling tins, and then a series of yells and groans and howls. "Oh, ma!" quavered Myrtle, as a tre-mendous success from the floor below

terminated in a bellow of pain. "It's the pepper getting in its work, my dear!" explained Mrs. Pierce, as she grabbed her weapon and sprang out of

Across the room she rushed, flung up the window, fired off the revolver as she had resolved, and shouted, "Police! Hereafter the burglars! patrolf" at the very top of her From the houses on either side heads

popped out.
"What is i.?" cried the neighbors. They were still rather dazed by their rude awakening.

"It's burglars, burglars, burglars!" screamed Mrs. Pierce.

A half garbed male figure went flying down the steps of the adjoining house, and ran rapidly toward the patrol box And still the floundering, noisy, sneez-

ing stampede in the kitchen continued, "We never would have caught the

When she did so, she slipped a wrapper over her night gown, and joined

Behind her, holding to the tail of her raveling bag an interrogatory shake as gown, slunk poor little Myrtle, her teeth chartering like custanets, and the great big frightened lumps in her throat al-

"Where is he?" "Oh, the rascal!" "Is Mr. Pierce out of town?" "What keeps the patrol?" "Can be have escaped?" "No. I hear him

"Just listen to that!" "That" was a perfect fusillade of groans, kicks, oaths, success. Despite the excited chatter going on

around her, Mrs. Pierce was cool, Mrs. Pierce was collected. Indeed, she was What did men do, who, unlike Dave, had incapable and brainless wives?

Her burgiar alarm had been effective. The scamp was most likely so blinded by the red pepper he could not find his Who was it said a woman had no in-

ventive genius?

prudence. Perhaps-ecstatic thought!window. You know I am a woman of she might even be written up in the pa pers under the caption of "Heroic Mrs. rce," or "A Brave, Brainy Woman, "Hark!" some one said; "here is the patrol wagon!"

She would be praised for her brilliant

And there it was, to be sure, dashing up to the door with a great flourish. The officers leaped out-entered the

All the crowding, half clad individuals in the front hall commenced proffering imorous explanations. "Which is the lady of the house?" de-

anded an officer. "I am," modestly proclaimed Miranda and if it were not that I am a woman of expedients, this contemptible law breaker would not be so neatly trapped.' And she positively grew as she uttered

her laudatory remark. "Oh, come on!" growled the officer. Hurt but uncrushed by his brusque ess, she held the kerosene night lam over her head, and, followed by Myrtle the policemen and the ever increasing

group of neighbors led the way. "There he ist" she cried, as she flung open the kitchen door.

Myrtle gave a howl of terror.
"Yes, there he is!" corroborated the The officers advanced; so did Mrs

Pierce; so did those following. And this they saw: A room littered with scattered fins and broken glass—a room flooded with water-the air unbear ably pungent with the odor of ammonis and floating particles of cayenne pepper and in the midst of all, seated on one o the overturned tubs, his elbows on hi knees, his head held in his hands, groan ing and mouning at an agonizing ratethe intruder!

"The bloodthirsty wretch!" exclaimed "Hush-up; he might shoot!" murmured

a cautious neighbor. "Officers, do your duty!" loftily com manded the young man who was study ing tragic recitations. But they all were now sneezing in such

secure the midnight marauder was neces sarily spasmodic. "Come! (a-chew!) You are under ar est! (t-t-chew!) Help here, boys! Cor found that pepper!" The man on the tub raised his head

a convulsive manner that an attempt t

He looked around. Mrs. Pierce gave a shrick of dismay. "Oh, pa!" yelled Myrtle. The officers fell back. Those of the neighbors who could speak between sneezing began to question and explain.

The man they had come to captur rose—spoke.
"I missed the train (t-chu-u!) I went to the lodge for a couple of hours. mustard, though. It was filled to the brim with cayenne pepper—Natal caythought my wife might have failed (atchew—oo-oo) to fix this widow, and tchew-oo-oo!) to fix this widow, and

> He went off in another paroxysm. A ludierous and yet pitiful appearance e presented.

He was dripping from a tumble in the tub, dirty from a stumbling collision with the coal hod, cut by the battering shower of pots and pans, perfumed with ammonia, and evidencing every symp-tom of a most aggravated case of hay

"Why didn't you use your latch key, Dave?" asked Miranda.
"Because I left it behind in the pocke of my old (chn-hu-ooo!) suit!" with an angry glare.
"Or - or," more faintly, "ring the

bell?" "When the bell is broken?" he inquired, with crushing sarcasm. "Oh!" murmured Miranda. She quite wilted.

Never again di I she dare refer to herself as a woman of expedients.—Kate M. Cleary in Philadelphia Saturday Night. In the section of the Paris exhibition

devoted to the Histoire du Theatre there

is a collection of wax models of feet of

noted ballet dancers. A West Virginian trained a tiny stream of water to fall drop by drop on a rock, and in five years it has worn a hole seven

inches deep in solid stone. A smuggler was caught at Philadelphia who had \$7,000 worth of diamonds and other jewelry tucked away in an old coat. The lot was confiscated.

Sheriff Henry Sherman, of Casey, Ind., raised this year 1,875 bushels of oats from twenty neres—an average of sixtyeight and three-fourths bushels per acre On his fifty-sighth birthday anniver sary recently Mr. Goschen received many gifts, among them a large cart wheel with the inscription, "Don't tax
