BRIGG'S HEADACHE TROCHES —FOR—

SICK HEADACHE

-IN ITS-

NERVOUS, BILLIOUS, OR CONGESTIVE FORMS.

This Remedy is the prescription of one of the leading physicians of Paris, France and wasnesd by him with unpan llale! success for over thirty years, and was first given to the Public as a proprietary menome in 1878, and since that time it has found its way into almost every country on the face of the globe, and become a favorite remedy with the usands of the leading physicians. Metical societies have discussed its marvelous success at their annual conventions, and after their official chemists have analyzed it and found that it contained no opiates, bramides, or other harmful ingredients, quietly placed it among their standard remedies.

TESTIMONAL.

L. R. BROWN, M. D. 23 West Jersey St., ELIEABETH, N. J., June 28, 1889

This is to certify that I have used for some months with much satisfaction, the combination of semedies, for Headache, known as Brigg's Headache Troches. The remedy cures more head-sakes especially such as effect Nervous Women than anything I am acquainted with, and if this certificate will be the means of bringing it to a favorable attention of sufferers from that "suble, I shall feel that I have done them a service.
