## HEADACHE TROCHES

SICK BERADACEE -IN ITS-

NERVOUS, BILLIOUS, OR CONGESTIVE FORMS.

This Remedy is the prescription of one of the leading physicians of Paris, France and wasused by him with unparallaled success for over thirty years, and was first, given to the Public as a proprietary medicine in 1878, and since that time it has found its way into almost every country on the face of the globe, and become a favorite remedy with thewands of the leading physicians. Medical societies have discussed its marvelous success at their annual conventions, and after their official chemists have analyzed it and found that it contained no opiates, bromides, or other harmful ingredients, quietly placed it among their standard remedies.

L. B. BROWN, M. D.

This is to certify that I have used for some months with much satisfaction, the combination of temedies, for Heanache, known as Brigg's Heanache Troches. The remedy cures more head has k pt health in our amily ashes especially such as effect Nervous Women than anything I am acquainted with, and it is a few such as effect Nervous Women than anything I am acquainted with, and it is a few such as effect Nervous Women than anything I am acquainted with, and it is a few such as effect Nervous Women than anything I am acquainted with, and it is a few such as the such as ns of bringing it to a favorable atter Puble. I shall feel that I have done them a service. L. R. BROWN, M. D.

GOOD RULES FOR TEACHERS.

Don't become discouraged. Be satisfied th small results, if they are sure. Don't fail to learn as soon as possible in what direction your class need to work, and

at where they need to begin. Don't fail to do everything in your p to work in harmony with your principle and the other teachers in the building. Don't get order in the schoolroom at the expense of growth. Have order, not by all neans, but by the best means only.

Don't lot the year pass without reading some good books on education. Learn more of the work of the foundation builders.

Jack—Then that will be a genuine to Phil, I am sure.—Harper's Bazar. Don't cmit the visiting day. See other eachers at work. Be sympathetis in your riticisms. Go for help, not for self satis-

Don't allow yourself to become fretful or anxious or worried over your work. Be seene. Use your powers to the best advantage and teach the children to do the same. Don't teach any lesson without knowing why you teach it, and what you hope to ac-complish by it. Have a purpose in every lesson, as well as in every series of lessons.

Don't think that inattention is a small matter. Stop work when you fall to hold the at-tention of your class. Study the art of se-curing the habit of attention, and see that every lesson tends to strengthen that habit in your pupils.—Sarah L. Arnold in Journal of

SOME OLD ODD REMEDIES.

Aspen leaves used to be considered goo against ague. Snalls boiled in barley water were sovereign for an ordinary cough. Whooping cough could be cured by any on who rides on a puebald horse.

The heart shaped leaves of the ordinary wood sorrel were remedial in cardiac discuss Turmeric, on account of its deep vellow color, was of great reputation in the treat-ment of jaundice.

Any one suffering the agonies of toothache was instantly relieved by merely smelling dead man's tooth. A little of the moss growing on a skull, dried

well, reduced to powder, and used as snuff, was specific for headache. Warts: "Put three droppes of the blood of a wart into an eldera leafe, and burle it in the earthe and the warts will vanish away."

"Yes, my dear; the Indian file and the Chickasaw."—New York Sun. The powdered flesh of a mummy was of sov creign power in physic, especially in contu-sions, where it prevented the blood from settling and congulating at the injured part.

closely stopped up in glass, put into an ant hill and taken away again a month after, ye shall find a liquor in the glass, which, being outwardly applied, helpeth gout. From Beaumont and Fletcher's fine comedy "The Knight of the Burning Pestle," we learn that chilbiains should be rubbed well with a mouse skin, or the sufferer should roll his fee

The flowers of the lily of the valley being

FREAKS OF NATURE.

In R. J. Kettlewell's garden at St. Helens Ore, is a pumpkin vine which has twined around an olive tree and grown to a height of about fifteen foot. Near the top are two large pumpkins, and Mr. Kettlewell has had to have boxes erected on poles to let them lie in to keep them from breaking the timbs of

A few days ago T. H. Adams, of Clarks ville, Ga., cut a perfectly sound, fresh-looking muskmelon he had just received from Banks county, and upon examination it was found that a number of the seeds had spround and had roots nearly in inch long. The ncion was perfectly sound and the flesh firm

A hard maple tree in S. G. Scott's yard at Plainwell, Mich., is an object of great curios ity. It is just now shedding its foliage. Soon new leaves will appear, and after the fall frosts it will again denude itself of leaves. This it has done regularly for several seasons. The tree differs only in shedding its leaves twice a year from other maples standing within a few feet of it.

The discovery of the curious ice cave in Asialey valley, in the Rocky Mountains, con-lines to attract attention. Tom Mitchell, tinues to attract attention. Tom Mitchell who has just returned to Salt Lake City from there, says that in the latter part of August he found in the care a section of lee 25 feet high and 30 feet thick at the base. A small iaks was also discovered. One of the rooms in the cave was over 1,990 feet long.

STRAY BITS.

In Germany the public schools are all taught by men. The girls of Alaska are ready for society as soon as they reach their teens. It is estimated that there are no fewer than 86,000 sightless beggars in France. There is a mule in Cambridge, O., that is 47 years old and is still a good worker.

LIGHT AND AIRY.

A Timely Wall. The season colder grows apage,
The winds begin to coar;
Bo, when you come into this place
Please, mister, shut the door.

Il's most too warm for fires as yet, They'd open every pore; But frost has come, mankind to fret, So, mister, shut the door.

Don't leave it swinging while we anceze, And christen you a bore; Unless you want to see us freeze, Why, hang it, shut the doof!

Don't make us shiver till we're blue,
And hanker for your gore;
Look here, we've said all we're going to os this
subject, and the next thing you know we'll be
over there wiping the floor up with you
Unless you shut that door. -- Washington Capital.

Waiting in Vain. "Well, how's business?" said Longly to Shortby. Pretty bad. I have just been stuck on an

" 'Truth lies at the bottom of a well.' I nvested in a natural gas enterprise."

"And didn't it pan out?"
"No. They've had water and lime and sand stone and everything except truth. I rockon it's an even chance as to which they trike first, truth or natural gas."-Merchant
