Is a constitutional and not a local disease, and therefore it cannot be cured by local applications. It requires a constitutional remedy like Hood's Barsaparilla, which, working through the blood, eradicates the impurity which causes and promotes the disease, and which causes and promotes the disease, and effects a permanent cure. Thousands of people testify to the success of Hood's Sarsaparilla as a remedy for catarrh when other preparations had falled. Hood's Sarsaparilla also builds up the whole system, and makes you feel renewed in health and strength.
