dor in Windsor castle has been completed Illustrated. at a cost of many thousands of pounds The work has been constantly in progress all the year except when the queen has been at the castle. One set of rose china, in a single one of the cabinete in this corridor, is valued at £80,000 (\$150,000). At the upper end of the corridor is a bust of Gordon, close to which is his pocket Bible inclosed in crystals.

DOINGS OF ROYALTY.

Queen Louise, of Denmark, the mother of the princess of Wales, has just passed her 73d birthday.

The crown princess of Brazil was the last royal personage to receive the golden rose from the pope.

The queen of Roumania wrote a drama called "Ulvanda" and composed a song while undergoing the massage cure. Queen Victoria has taken more interest in the Brazilian revocation than in any other public event of recent years.

Her majesty the Empress of Germany bears the music in the Frankfort Opera Opera house through the telephone in her private parlor.

The queen regent of Spain is an early riser, and is often seen in the garden of the palace with the little king at 7:30.

She dines at 8 in the evening and retires plain away that unl The Empress Frederick has become an

enthusiastic archeological scholar in Athena. She has Dr. Schliemann superintend her studies, and with him has visited both Olympus and the ancient ruins of Mycenes. The late king of the Warramangas, an

Australian tribe, was a boy of 19, 6 feet 6 inches in height, and had for several years been a guide to an explorer named Lindsay, to whom he was much at-When he became king last year he refused to take his royal rank. The Prince of Monaco, who recently

married the dowager duchess of Richelieu, has more old French titles than he has toes on his feet. His bride is enormously wealthy, and the prince can now indulge every wish. Palaces, pictures and poetry are his chief fade, and he eares more for romance than roulette.
