If you have made up your mind to buy Hood's Sarsaparilla do not be induced to take any other. Hood's Sarsaparilla is a peculiar medicine, possessing, by virtue of its poculiar combination, proportion, and preparation curative power superior to any other article A Boston lady who knew what she wanted and whose example is worthy imitation, tolks her experience below:

To Get

"In one store where I went to buy Hood's Sarsaparilla the clerk tried to induce me buy their own instead of Hood's; he told me their's would last longer; that I might take it en ten days' trial; that if I did not like it I need not pay anything, etc. But he could not prevail on me to change. I told him I knew what Hood's Barsaparills was. I had taken it, was satisfied with it, and did not want any other.

Hood's When I began taking Hood's Sareaparilla I was feeling real miserable, suffering a great deal with dyspepsia, and so weak that at times I could hardly stand. I looked,

and had for some time, like a person in con-sumption. Hood's Sarsaparilla did me so much good that I wonder at myself sometimes, and my friends frequently speak of it." Mus. ELLA A. GOFF, 61 Terrace Street, Boston. Sarsaparilla
