A GAME OF KEEPS.

Democrats in the Eighth District, can find a good-sized cud to chew at in the following item from the Philadelphia Press which sounds pretty much like an expression of opinion from headquarters through

the Democracy.

Friends of Congressman William Mutchier in this ally state that in their opinion Mr. Mutchler in the enjoyment of her own, she could fight finds a place in its columns. It has have no idea of entering the fists as a Guberna-buy and sell all the Astors, and Vanderblits, no need of a fighting editor, for its ways totial candidate. Some of them say that its has nothing to gain by it and he will not seek the empty hour at this time. They do not look for Democratic success in the guberontorial fight She was born in Holland in 1602, and was under. Every one of the staff is supposed this year

The fact is Mr. Mutchler desires to return to twenty years of age; she was the daughter The Colonel had a political string to pull Congress and will seek re-election this Fall. He of Woolfert Webber, who stood very near for Mayor, so for the time being he sunk expects opposition from leading Democrats in other counties in the Eighth District, which is other countries in the Eighth District, which is composed of Monroe, Carbos, Pike and North-ampton, but he expects to manage the uputil ceived some large and substantial grants of contest without losing it.

His chief point is that it will be establishing a precedent to compel him to retire with but one get to Washington they will want two terms But if the precedent in the new district is rando of the belies of the town. one term they will find opposition of the strong est kind from the biggest county in the district viz: Northampton. If, however, these Congress donal aspirants will concede two terms to Mr Mutchler, everything will be rosy-hued for the present. Therein lies Mr. Mutchler's hope for a return at this Fall's election.

## 89 Miles in 85 Minutes

The most remarkable feat in the history of American railroading was accomplished a few days ago on the New York Division of the Phil leiphia & Reading Hallroad, when a specia passenger train covered the distance of 90 mile between Philadelphia and New York in the almost incredibly short time of \$5 minutes. The angine which made the record-su shing run is One thing is certain, and that is Trinity Church was begun in 1696, and designated as "No. 386." It is of the peculiar type originated by the Reading Railroad, and was built for the regular fast passenger service preparation was made for a fast run, both e gine and crew being selected hastily and almo at random to meet a sudden call for a "special 重 cc. The implied by these figures, and to stand the stra involved requires the very perfection of machin- ing counties. ery and roadbod. The best previous rec made by any train between New York an Philadelphia was that of a special, also on i Reading, which conveyed the late Preside Gowen on his return from Europe neve ago. The time then made was 59 minutes for
