a girl often gets mitten, too. -No species of honest toll is degrading. Every task performed because it is duty, and for others' good, is dignified and ennobling.

Nature in Convulsion

Nature in Convulsion

Is terrific. Volcanic eruptions, cyclones, earthquakes are awfully and tremendously picturesque, but scarcely desirable to emulate in action
and effect by the administration of remedies
which produce convulsion and agony in the
abnormal portion of the human frame. Such is
the effect of the old fashioned violant purgatives
happily falling more and more into disuse, and
of which Hostetic's Stomach Bitters is the
wholesome, pleasant and isr more effective
succedansum. They weakened the intestines—
the Bitters invigorates them. They left the
bowels inactive, because inespacitated by susuing feebleness. The Bitters, on the contrary,
and because it enables, not forces, them to act—
a vast and fortunate difference—perpetuates
their activity and regularity. The liver is buneficially stimulated, as the kidneys also are, by
this medicine, which easily conquers, also,
malaria, nervousness and rheumatism.

ACROSS THE KARROO.

We had already journeyed seven days base-ball, and when people paid their debts from Capetown, passing through the and forgot to slander neighbors or desert pretty villages of Paarl and Cores, with the vineyards and maize fields, and had now reached the edge of the desert known as the Karroo. The site is marked on the map of South Africa as beginning beyond the range of the great Zwarte

(Black mountains). The entrance to the Karroo is through walls of stone on either side, which seems to indicate that at some former period a stream of water had passed out through this gorge from a lake whose bed is now desert to the point we wished to reach | no was 100 miles, which we wished to acing there was no water on the journey for them. We hoped to do forty miles him; the food is swallowed with diffi-the first day, and thirty miles each day culty, and the system is faint with fever. of the two following. We entered the and set out on our hazardous journey.

Karroo Poort (Karroo Gate) at sunrise, I should state that we had stopped over night at a last farmhouse near the Poort, to give our horses rest and a good feed, thing, and turned and said to Meadows and to supply ourselves with forage for them and water for ourselves, filling See, there is a lake a few miles off," every available vessel with the precious "A lake!" exclaimed Moritz. "I

I sent him down to the store with a ribbon the other day and he The scene was now become one of start- world. tions about us the glare of shining eyes, and now the brutes came so near that we

snapping of their jaws. George Meadows rose and threw fresh fuel on the fire; the fiame that crackled and flashed up brought into view the shaggy forms of the gray wolves, the striped hyensa, behind them, again, the jackals; and the horses, realizing that their deadly enemies were close at hand, gave low whinnies, as though calling upon us for protection. The Moritz brothers were up, and, together with ourselves, opened fire upon the animals, about the farm of mooifontein (beautiful washited house and should trees ran a small river to which we led the horses before taking them to the barn; and later, over an impromptu supper, we told Verbeck the latest news from the civilized world, and slept that night with a grateful sense of perils overcome, far into the morning light of the following day.—Illustrated London News.

He was Mistakes.

A Detroit Pole, who was carrying home a load of wood on his back, took the railroad track. He heard the train coming, but supposed it would stop and request him to step aside. The first thing ourselves, opened fire upon the animals, shooting at the shifting masses where they seemed thickest, answered by howls and cries of rage as our bullets tore their way into the restless groups. For an hour or more the animals skulked around; but, as we kept our brushwood fire in good condition, they finally gave up what we feared was a premeditated at the ticket office of the St. Louis, Iron tack, and stole away. And then we Mountain and Southern railroad yes-

wooden canteen, filled with water, had been kicked over, the bung started and Harry Wilson waited on the gentleman, sited on their children, as well as the sins Meadows made coffee, and then, greatly refreshed, we set out before the sun was freight office on Monroe street for infor-

up, journeying still deeper into the desert. Our drive was a dreary pull. Once we passed close to where a flock of vulwhitened bones. After we had halted -When a man has a business that for an hour's rest and a hurried breaksosen't pay he usually begins to look fast, we went on again, and should have our horses, inured as they were, begun to show unmistakable signs of the fatigue

that follows a lack of water.

Physiologists estimate that the heart does 5,000,000 pounds of work each day.No woulder people drop dead with worn out hearts. This could be preveated by Dr. Milee' new and great discovery, the New Cure, Always commence when you first begin to e short of breath, have wak, or smothering spells, pain or tenderness in side, etc. Sold at Eiery's or Thomas' drug store.

We ourselves had not too much to satisfy the needs of four men, and we determined to put ourselves on short allowance since the mishap of the night before. After the midday "outspan" our late afternoon journey was enlivened by a singular display of this ving boldness. We were slowly "trekking" along, the two drivers of our four in hand team the two drivers of our four in hand team seated on the front seat, Meadows and I on the seat behind half asleep, the cur-

few inches to permit a draught to pass through, when all at once we heard a "That tried feeling" is entirely overcome by Hood's Sasparillia, which gives a feeling of buoyancy and strength to the whole caught the glimpse of the nose of a jack-system. —Don't make the morning foggy and son was obvious. malaties. That Ayer's Saraaparilla is the best cure for Indigestion, even when complicated with Liver Complaint, is proved by the following testimony from Mrs. Joseph Lake, of Brockway Centre, Mich:—

"Liver complaint and indigestion made my life a burden and came near ending my existence. For more than four years I suffered untold agony, was reduced almost to a skeleton, and hardly had strength to drag myself about & All kinds of food distressed me, and only the most delicate could be digested at all. Within the time mentioned several physicians treated me without giving relief. Nothing that I took seemed to do any permauent good until I commenced the use of Ayer's Sarsaparilla, which has produced wonderful results. Soon after commencing to take the Sarsaparilla I could see an improvement in my condition. My appetite began to raturn and with it came the ability to digest all the food taken, my strength improved each day, and after a few months of faithful attention to your directions, I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life."

MERCHANT'S GUARANTEED ROOFING PLATES

WE not only give the purchaser the be-roofing plates, but we protect him: FIRST-By guaranteeing every box. SECOND-By stamping each sheet with a brand and thickness. THIRD-By excluding wasters or defer FOURTH - By branding the net weight of the 192 sheets on each box, to active the eas-moner in this age of light weight plates that we is obtaining bull Weight.

For the benefit of these wanting the ver-best roofing plates, we assert, and are pre-pared to prove, that there are no often branch of cooling the offered in the bracket to-day, by any firm under the four different guarantees given above by thus longer, and we challenge a patitle contradiction of this statement.
