Broadbrim on the Eight Hour Movement

As far as the eight hour movement is concerned; if a man can earn enough in eight hours, to keep himself and family

jection to it. If the nature of his business

lieve does every man, to get the largest amount of pay for the smallest amount of labor. To demand this fairly and squarely is the birthright of every man. But in ex-

tramples on the right of any other laboring man, who does not think as he does. And right here is the vital point in the struggle now going on between the legitimate efforts

of the American workman and laborer to better their condition, and the Socialist rabble who crowded Union Square on Monday night and listened with flashing eyes and grinding teeth to the incendiary harrangues of the brawling Aparchists, who, for lack of knowledge of our language, were compelled to abuse us in a foreign tongue
