# NATIONAL CUTTER.

The establishment of a Cutting School in Lehighton has been instrumental in more fully arousing public sentiment unon one vital question than has ever before been aroused, namely:

"THE PRACTICAL EDUCATION FOR WOMEN."

Appealing to your most candid judgment, parents, have you educated your daughters in such a manner than they can earn a good, honest living by their own of forts, if such a thing should become necessary, for little do any of us know what is in store for us? It is a refined accomplishment for any lady to be saile to look after her own clothing and see that it is made ter her own clothing and see that it is made correctly and in becoming style, and there is to education that prepares any last for the responsibilities and unless of life equa-to knowing how to construct her name ciothing properly,

It is only the second consideration con-

It is only the second consideration con-cerning this life's goods. The first is pre-paring our food properly and next is our ciothing, and this is of the highest import-ance to all, and might mean very much to some of our readers. It is an attested fact that the Cutting School is a harbinger of good wherever established, and the price of the thorough course of instructions givof the thorough course of instructions given is merely nominal compared with its great value which is clearly demonstrated by the best judgment of some that have already been doing good work with it, and we cordially welcome any one to our Instruction Rooms to see and investigate for
