"Wait, I hadn't got through yet," said her husband, following her to the spring house. "My, you have got a lot of nice looking butter there. Nowonder your butter always brings the best prices anywhere round. But I'm going over to the functional many have to again three weeks after. I want you to go with me and stay between the functional many have to again three weeks after. I want you to go with me and stay between the functional many have to again three weeks after. I want you to go with me and stay between the functional many have to again three weeks after. I want you to go with me and stay between the functional many have to again three weeks after. I want you to go with me and stay between the functional many had been turned up, and overybody was on deck to see what was going on. The woman was white, and, as we soon ascent. "Wait, I hadn't got through yet,"

"Oh, I can't," said Mrs. Hill, shaking her head. her head very decisively. "I'd like to real well, but there's too much to do.' "Nonsense. Call those big girls of yours and let them take hold a little."

They do. They do all the aweeping, but I can't leave the dairy work to any-one else. Poor Sarah Duffy! Seems as though I ought to go to her funeral." "Go'n get ready, mother. I'll call Harriet.

"Oh, never mind that, They like to have a little time for study and they ought to. I can leave it for a while."

kitchen." He stood and watched her while she put the finishing touches to the pats of butter and then walked with her around brisk ones, and as she reached the back porch she sat wearily down on the lowest '41'll cost money," she as

step.
"I don't know as I'll go, James. I

Thus urged, Mrs. Hill, after fifteen take her place in the smart buggy which Then she can't help herself." her husband drove around. He talked away in great animation as usual, but before long seemed suddenly struck by her unusual silence.

All of the whisperings and the sly by the mate, and suddenly laid violent bursts of laughter from Harriet, half inwater, food or paddle. The intention

"Ain't you well, mother?"

"Oh, yes, about as usual. I seem to have a kind of fired feeling most of the time lately, but I a'pose it's because I'm getting old. We can't always be young, you know."

"No," said Mr. Hill. But any com-"No," said Mr. Hill. But any com- tollet.

the face of any one there for a year; and a feeling of dismayed surprise arose in his heart as he marked the worn feat-

mres, the depressed expression and the journey, fairly hastled out of the house thick sprinkling of gray in the soft hair.

"Aren't you well, mother?" The question was repented with more of meaning in the tone.

"Why, of course I am, James. Don't would know what a worker I've always for her to do you know what a worker I've always. you know what a worker I've always for her to do.

At the gathering of neighbors for the country funeral Mr. Hill, leaving his wife at the door to make her way into the gloomy parlor in which one more pair of weary hands lay folded in rest, went to find a place to tie his horse. Men talked in subdued tones of crops and stock until the signal came for the

gathered as nearly as possible within they don't happen to think as I do, only they don't happen to think in time."—

Bydney Dass in Springfield Homestead. Hill found himself crowded against a corner of the house close to the end of a long porch which was filled with chairs occupied by women, while from an open window near came sounds which soon told him that the children of the woman who lay resting were within,

They were of all ages, as he knew. There was the bubble of a toddling rhild, happily too young to know what dread meaning lay in these strange doings. And Mr. Hill's heart turned could come to his home? How could that she was in need of this rest?

The short service ended, the neighbors were invited to take the last look at their friend. As Mr. Hill stood waiting for the crowd about him to disperse an undertone conversation between two neighboring farmers' wives distinctly reached his cars through the low hum.

if she'd and time to think of it?"

where the mistake come in. I believe Sarah Duffy'd a' been alive today if that carry them constantly on her back for bushand o' hers had had a grain of sense. Years. She is now a slave to the whole She kep' on and kep' on 'till she broke down all at once."

"Yes, in a way. But he let her work say right out I should say 'twas that pump in the shed that was the death o'

Sarah Duffy." "You don't mean it!" "Yes, I do. I've seen her a-workin' away at that old pump-stiff and heavy and hard and wheezy, till there didn't seem a breath left in her. I never thought much of it myself till I went for a spell down to my sister's in town and see the way they have things fixed! Nobedy in that house o' hers raises a drop o' water cept to drink it. It all comes through
