THE ANNUAL DEMOCRATIC COUNTY MEETING. The Annual Democratic County Meeting tions in the several boroughs, townships at South Easton. and election districts, also the time for holding the County Convention and to

transact other business of importance. MICHAEL CASSIDY, Chairman Democratic County Committee

WHEN THE Lebigh Valley Editorial Association meets next month it can take the of A., of Shenandoah, Schnylkill county, inlative in calling the U.S. Government to a halt in its peculifous competition against the fraternity as the following item, clipped from a trade journal, clearly shows: "The United States furnished last business houses on which the printing was done free." 'The printers of the country ought to have done this work, realizing of trade remain quiescent under such competition? And why should the government do a general printing business any more than a dry goods or grocery business? Let the printers of the country

A COUNTRY newspaper, says the Ashland Record, is not run for the benefit of promiseuous office seekers any more than it is for the benefit of business men. If one of the latter desire to appropriate its influence to his own, use he unhesitatingly pays for the service rendered. He asks no favors and expects none. It is not so with a large class of office seekers. They spend hundreds of dollars in campaigning, but not one cent of it is tendered the party paper whose columns are sought from time to time to sound their many virtues into the cachers. No certificates the transmission of power by means of belts in the operation of machinery of all kinds.—New York Commercial Adverthe public ear. If they have had their will be granted to applicants under 17 years tiser. card published in the paper announcing of age, nor to applicants who have not their candidacy and paid for it (a rare circumstance with many of them), it is re- best works on teaching. All applicants garded as an equivalent for all future ser-

THE RUSH for public place continues Carbon county has thirty to forty candi dates for eight or ten offices; Lenigh county has fifty to sixty willing patriots for eight or ten places, and in Luzerne county the number is so great that the Democrats are fighting among themselves for the spoils. This rash rush for political honors is not encouraging to the general welfare of party and bad results will follow, as a natural result of the bitter feeling engendered by the

ADVERTISERS will find this paper an excellent medium for advertising purposes, as our circulation reaches every Carbon county town, village and hamlet and is where. Home merchants particularly McGorry, Hugh, miner, Nesquehoning should plant their appoundements in our columns and reap the reward of judicious fore thought.

a rajnbow chaser. He believes in hard, practical work all along the line. There is a good bit of solid sense in his methods which might safely be followed by the rank Andrus, C. D., engineer, Packer and file who annually place Pennsylvania in the list of doubtful States.

ALMOST every Democrat is talking abou he proposed change of rules to govern the party in this county. The present system Is unfair. What is wanted is a system that with operate fairly and squarely for every section. This, or nothing, is what is wanted.

THE DEADLY overhead bridges at Coalport are still there-a continual menace to the life and limb of the railroaders. Its a corporation affair, and it comes cheaper to bire a new man than it does to build a new

EMAUS, a little town down the valley, third the size of Lehighton, was recently illimminated with electricity. Lehighton uses the flickering, antiquated coal oil lamp. What do you think of it ?

THE electrocution of Kemmler at Auurn, N. Y., last week was a very shocking

NOTES AND OPINIONS

General Meade, to whose skill and valor belongs the credit of victory of the battle of Gettysburg, seldom receives his dues or that great event, and yet in spite of orators who forget to give honor where bonor is due, as the hero of Gettysburg, Taylor, John M., agent, North Kidder Meade towers far above his competitors. Let the old soldier have his proper place on Weiler, Jerry, operator, East Mauch Chunk the scroll of glory.

Warden Durston, of the Anburn, N. Y. Prison, where Kemmler was put to death by electricity on last Wednesday, believes Angie, William, clerk, Puckerton that the method is better than hanging and Anoreas Thomas, laborer, East Poun much more binmane. He criticises some of the newspaper accounts of the expariment, and sents the could be completed as the and wants the public to wait until he makes his report before the judgement. Carroll, John, miner, Summit Hill There is certain to be a very lively and Cannon, Daniel, inn keeper, Lehigh pretty general controversy over this matter, and it is important that every fact shall be and it is important that every fact shall be impartially stated. Whether electricity is Davis, John F., engineer, Audenried to be the, means of putting murderers to Eberts, Joseph, drover, Mahoning death in the future, or whether we are to Each, James H., inn keeper, Leh continue hanging when we do anything, will be largely determined by the drift of Horn, Levi, farmer, Franklin

The fact that there is a great store of Holmes, Richard, merchant, Lausford iron ore, coal, marble and other undeveloped wealth in the Southern States is undeniable. The mineral resources of that re-gion, as well as its agricultural and manu-Koons, Eli, tarmer, Mahoning facturing capabilities, will in good time Kemmerer, Newton, farmer, Towamer make it as populous and prosperous as any Lewis, James, miner, Summit Hill part of the Union. But not all the land Meyers, John, farmer, Bloomingdale in the South is filled with minneral wealth, Marx, Wilford, mason, Hacklebarnie nor is it all fit for profitable tillage. The McGiniley, Deimis, unior, Autoraried great speculations in the fron and coal producing regions have made it possible to occurrently better that the set on foot many wild-cat operations. In the set on foot many wild-cat operations, In the set of vestors might, therefore, do well to go slow.

Romly, Daniel, miller, East Penn
The insane speculations which followed Ryan, John, agent, East Mauch Chunk the discovery of oil are likely to be Gupli- Weiss, Chas., blacksmith, Lanstord cated by equally hare-brained risks in the South. "Booms" are disastrons when they are not healthy and solid.—Phills.

Wentr, Wis., painter, Weatherly Wentr, Owen, farmer, East Pann Walck, Phillip, carpenter, Franklin they are not healthy and solid.-Phila.

The days have lost I nour and to min-

A Lady's Perfect Companion

PAINLESS CULLDRIGHTH, a new book by Dr.
John H. Dye, one of New York's most skillful
physicians, shows that prin is not ascessary in
whidibrith, but results from cames easily understood and overcome. It clearly proves that any
woman may become a mother without sanforing
any pain whatever. It also lefts how to overcome and prevent morning sickness, swelled
limbs, and all other evits attending pregnancy.
It is reliable and highly endorsed by physician
everywhereas the wife's true private companion. Cut this not, it will save you great pain
and possibly your life. Send two-cont stamp to
pesserphive circulars, testimonials, and confute
it ilcher sent in suitale develope. Address

PAY UP.

New Method of Covering a angel An important improvement has been made in the covering of pulleys, by which it is claimed 50 per cent, more power can be transmitted, and all slipping is reduced to an imperceptible fac-tor. This system comprises the follow-ing points: It consists in the employment of a specially prepared leather covering for the pulley which is ex-tremely soft and elastic and never glazes by the rubbing action of the belt, as is the case when ordinary leather is em-

ployed for this purpose.

It is applied to the pulley and held tions for 1830 will be held as follows:
