the gum in water. A tank, say four feet long and two feet wide, is filled with the solution, and then the operation is ready to be performed. At the government printing office you can see it done any day; the courteous attendant in charge will show you how he does it. Rheumatism. BEING due to the presence of uric

D acid in the blood, is most effectually cured by the use of Ayer's Sarsaparilla. Be sure you get Ayer's and no other, and take it till the poisonous acid is thoroughly expelled from the system. We challenge attention to this testimony :--

"About two years ago, after suffering for nearly two years from rheumatic gout, being able to walk only with great discomfort, and having tried various remedies, including mineral waters, without relief, I saw by an advertisewithout relief. I saw by an advertise-ment in a Chicago paper that a man had been relieved of this distressing com-plaint, after long suffering, by taking Ayer's Sarsaparilla. I then decided to make a trial of this medicine, and took it regularly for eight months, and am pleased to state that it has effected a complete cure. I have since had no re-turn of the disease."-Mrs. R. Irving Dodge, 110 West 125th st., New York.

Cream - Balm Dodge, 110 West 125th st., New York. "One year ago I was taken ill with inflammatory rheumatiam, being con-fined to my house six months. I came out of the sickness very much debili-tated, with no appetite, and my system disordered in every way. I commenced using Ayer's Sarasparilla and began to juprove at once, gaining in strength and soon recovering my usual health. I cannot say too much in praise of this well-known medicine." - Mrs. L. A.
