Saved Her Life.
New Haven, Conn., Feb. 9, 1890.
This is to certify that my mother has suffered from nervous weakness over 30 years. We have tried innumerable remedies and physicians, and she would die for her health, spending in all thousands of dollars. Only temporary relief. At last we tried Pastor Roehl's Nervetonic and after 10 days she is now better than she has been for years. It has saved her life. It is the best medicine I have ever used.

WALT WHITMAN.
An old man once saw a
Duck beat to growl. The major didn't say anything that night, but next day he withdrew from the race, declaring that he would not run against so good a man as Duck.
"You don't say so!" exclaimed the colonel.
"Yes," the colonel responded, "but I hope that it will not interfere with the convention. If the attendance is large and the proceedings harmonious, the result will be of great benefit to the country."
"You are going to have more rain, I think," said the major, as he resumed his seat.
"I don't know," replied the colonel, "but I hope that it will not interfere with the convention. If the attendance is large and the proceedings harmonious, the result will be of great benefit to the country."
