MOVERS! Out of the way! You Lehighites, of slow ideas, don't stand idly obstructing any path or road over which the multitude passes. There never was a time when idleness, listlessness and indifference could be tolerated with so little patience as they are at present.

The Lansford Record, published by James W. Malloy, has preferred a list of very serious charges against the official history of James H. Handwerk, the present Register and Recorder of Carbon county. Under these charges it won't do for Mr. Handwerk to longer remain silent.

FRANK P. SEMMEL, of this town, is making a brilliant canvas for the office of Register and Recorder. Laying political aside, nothing has helped him so much as the bitter opposition of the kickers who, travelling under the garb of law and reform, give utterance to scurrilous and libelous attacks on his private and public character.

The Republican conference comprising the counties of Carbon, Monroe and Northampton, has named George Mortimer Davis, of Lansford, as their candidate for Congress. Mr. Davis is well known in Carbon county and is a strong candidate against Wm. Metcher, the Democratic nominee.

The liberality of my contributions during twenty-five years attests my loyalty to the Democracy. "E. R. Siewers, Blind and sane as ever. He is now being groomed for the Prothonotary office by Reformers Klotz, et al. If Siewers is with the Democrats let him come out and show it by an honest support of Semmel, as many claim, by underhanded opposition to him.

AGAIN the Carbon county grand jury has recommended a new bridge across the canal at Weissport. It seems to us to be an unnecessary procedure on the part of the Court. When the Lehigh Coal and Navigation Company gets coal and ready it will build the bridge in the meantime recommendations are useless.

MILLEN and CAMBON will be the new Commissioners, with J. C. Bendel as the minority official. It will certainly make a strong working team. There is business, push and brains in the trio. Just what we want.

IF RAUBER'S mouth, his charity, would cover a multitude of sins, what a grand retreat it would be for the so-called reformers, in other words booters and kickers, in Carbon county to creep into!

NOTES AND OPINION The Washington Citizen says: "The late Samuel J. Randall's fortune of \$5,000 in the grandest monument that could be erected to the memory of a man who had spent his life in the field of active politics."

POLITICAL POT POURRI The Mauch Chunk Democrat writes in saying that the editor of the Herald is an aspirant for political honors, and wants the authorship. The Democratic nominees for Auditor are G. W. Mortimer, the huster on the Lehigh Carbon Advocate and A. G. Peters of Mauch Chunk. Both are good men and will fill the bill.—Weatherly Herald.

FROM THE LANSFORD RECORD. As J. H. Handwerk, the present Register and Recorder, is a candidate for the fourth term, it is well to know what the Gazette, the official organ of the party, has to say against a fourth term. Listen to it: J. H. Siewers an old and respected Democrat of Carbon county, was beaten for the fourth consecutive term by Mr. Kemmerer, when the Democratic majority was much larger than it is now.

J. E. Siewers, another popular Democrat of Carbon county, was beaten for the fourth consecutive term by the Prothonotary's office by J. H. Butler. A. B. Munster was beaten for the fourth consecutive term in the Recorder and Recorder's office by E. R. Siewers. He too was a popular Democrat. All these men were beaten by their opponents for the fourth consecutive term in office when the Democratic majority in Carbon was about double its present size.

It cannot be that Handwerk wishes to be elected for a fourth term when such good men as the Gazette names failed of that comptment.

RAILROAD NOTES The Lehigh Valley Company are removing a number of their locomotives from Wilkes-Barre to the large new round house at Coxton, where they will thereafter be cared for.

The name of passenger engine No. 471, on the Hazleton branch of the Lehigh Valley, has been changed from "Anderson" to "John Campbell."

Literary Note. Miss Julia Magruder, a daughter of the late General John B. Magruder, of the Confederate army, who held the "Peninsula" against McClellan in the spring of 1862, begins in the New York Ledger of October 18, a serial entitled "Lehigh's Daughter." The story is an exquisite and artistic adaptation of the Biblical tale.

SECRET SOCIETY NOTES. The session of the National Camp of the Patriotic Sons of America in Boston was concluded Saturday. The amended constitution was adopted Saturday night after considerable opposition. The most important change was the insertion of the word 'white' making only white native born citizens eligible for membership.

The order has been issued for the election of a new military grade was adopted. A new military grade was adopted. In which members will wear the regulation uniform of the United States army and carry rifles.

An organization has been perfected in Washington by the name of "Daughters of the American Revolution." The purpose of the society is to secure and preserve the historical spots of America and to erect upon suitable monuments to perpetuate the memories of the heroic deeds of men and women who aided the Revolution and created constitutional government in America.

Grand Reporter Curry, of the Knights of Honor, states that the latest official reports of the order show that up to July 15 last the order has paid in death losses since its organization \$31,151,064.26. On April 1 last the membership of the order was 132,852. Since the organization of the "Columbia" grand lodge on March 24, 1880, there have been 486 deaths in its membership.
