The sanctum of M. Louis Pasteur, for

example, is one of the most simple in the

high order of truly physical comfort. It

is not encumbered with the scientific

paraphernalia often met with in the

houses of medical men. A large carved

oak table stands by the side of the arm-

chair in which the great scientist often

its in quiet contemplation of his past

experience and future hopes. In that

high stack of green cases at which he

casts an occasional glance stores of valu-

able notes are classed in perfect order.

They are ready for reference should a

fresh problem arise in the course of his

labors in bringing about the prevention or cure of that terrible affliction to the

study of which he has devoted so many

years of his valuable and successful life

M. Pasteur usually wears a close fitting

skull cap when in his sanctum. He is

grand cross of the Legion of Honor, mem-ber of the French academy and perpetual secretary of the Academy of Sciences.

in this world, says J. Hoffner of Synsons, N. Z., is Pastor Roemic - Neare Toulo boomse my sou who was partially paralized three years ago and altaoked by fit, he not had any symptoms of them also he book one boths of the remedy. I most heartily thank for it.

Nervous Prostration Cured. · CROGHAN, N. Y. June, 1869.

CROGHAN, N. Y. June, 1869. I was not able to do anything for 19 months, was confined to bed most of life thins, acuidat's sat nor skene, was so nervoles and dizzy that i could not walk from the house to the garlen. I was all run down by what the doctors called pervous prostration. No medicine seemed to belp me. Then I took Pastor Koenig a Nerva Tozico and now i can est and aleep and have no nerve sinking spells, can do my house work again. I am very theolito for this and recomment the Tomic to all sufficients BUHE VERBANNIDER. Our Paraphiles for universe of merces all
