Indigestion

18 not only a distressing complain itself, but, by causing the blood to feebled, is the parent of innumerable maladies. That Ayer's Sarsaparilla is the best cure for Indigestion, even when complicated with Liver Complaint, is proved by the following testimony from Mrs. Joseph Lake, of Brockway Centre, Mich.: -

Centre, Mich.:—

"Liver complaint and indigestion made my life a burden and came near ending my existence. For more than four years I suffered antold agony, was reduced almost to a skeleton, and hardly had strength to drag my-self about 4 All linds of food distressed me, and only the most delicate could be digested at all. Within the time mentioned soveral physicians treated are without giving relief. Nothing that I took seemed to do any permanent good until I commenced the use of Ayar's Saranparilla, which has produced wonderful results. Soon after commencing to take the Saranparilla I could see an improvement in my condition. My appetite began to return and with it came the ability to digest all the food taketh, my strength improved each day, and after a few months of faithful attention to your directions. I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life."
