About Dress Goods for Fall

advocate that Flain Dress Goods will be the proper thing for you to buy this season.

Just call on us and we will show you the most Elegant line of shades in so many
qualities and prices, that you will say, my fashion book was right, and we can without On the other hand should your authority say that to be in keeping with Persian English and other creators of fashion you must buy Platds, Stripes or Checks when you see our stock in this line you will say right again as we are prepared to most your demands just the same in the Fancy Materials as in the Flain Goods.

Plain shades never showed such tone nor richness as they do this season. The colorings are simply perfection. As for fancy stuffs such as plains, stripes and checks. They were never prettier (nor possibly brighter) yet some are quiet and rich, the shade blinding of these goods are all that could be desired. Large stock of Velvets and Silks in the new shades, bought to match woolen sinffs. We always carry a large and well selected stock of Black Goods, to which new things have been added.

Good Values are always to be had in our store.
