

Entered as Second Class Matter at the Lehigh Post-Office.
The Carbon Advocate
LEHIGHTON, PENNA.

With this issue the CARBON ADVOCATE commences volume nineteen, better equipped than ever to do the interests of the people. For past favors return hearty thanks and ask for a continuance in the future.

The necessity of Ballot Reform is very urgent in Carbon county where the corrupt practices of the city ward have taken growth. This buying of voters, body, soul and breeches, must be stopped in the bud. Let us have honest elections, even if it costs our codfish aristocrats must go to jail for it.

The Republicans have a majority in the next Legislature, and it is said in the inner circles that George W. Delamater, the defeated gubernatorial candidate, will be pitted against Senator Cameron for the U. S. Senatorship. Cameron was not as active in the late campaign as Quay desired and this method is likely to be taken to get even with Cameron for his inactivity. Then, too, it might be a vindication of Delamater.

The Lansford Record continues its generous offer to Register and Recorder Handwerk: via the Record will donate \$60 to St. Luke's Hospital if an investigation of the Recorder office fails to disclose illegal charges and dishonesty on the part of Handwerk in the collection of fees. Here is an excellent opportunity for Mr. Handwerk to fully vindicate himself. Jimmy's many friends are anxious for him to reject the serious charges made by the Record. Now is the time to do it.

This inconsistency of the post office department is very apparent when it refuses to allow a newspaper to go through the mail which contains an item concerning a drawing of local significance given as a matter of news only, and gives freedom to the circulation of libelous attack and obscene circulars with obscene illustrations to debauch innocent young boys and girls. In our opinion Postmaster General Wanamaker is infringing on the liberty of the press, or perhaps, the reading of the law is too closely defined by local postmasters.

Developments since the election of Tuesday a week show that the defeat of Semmel, for Register and Recorder was accomplished through the most honorable means—outside of the reckless use of money and the wanton treachery of leading Democrats, bogus tickets were placed on the more ignorant voters. Particularly was this so at Mauch Chunk, East Mauch Chunk, Summit Hill and possibly Lansford, in the two latter places where considerable trading seems to have been done at Semmel's expense. "But chickens come home to roost."

As the holiday season is approaching, the season when the purchase of articles out of the usual every day line is made, a little admonition on the subject will not be out of place. Don't be made a subject for other men and women to plunder. Be careful not to be taken for a fool. All sorts of schemes are being concocted to cheat people under the old inducement of getting bargains. All the so-called literary papers are filled with alluring advertisements about bargains in ribbons, watches, jewelry, cutlery, perfumes, soaps, tickets in lotteries, investments in lands, rare chances to get homes in the remote parts of the country. Don't be a fool and spend money in each line. Don't send the money for anything you have not seen. Don't buy of parties who are not face to face with you when the transactions are consummated. The holiday season is approaching, when sharpers will be about prepared to swindle unwise people—people who think that an article bought a distance from home is superior to one purchased from a local merchant. Dupes are to be found everywhere, but it is about time the class is rendered extinct in the light of so many warnings being sent out by the newspapers. There is no reason why people should be swindled by sharpers, for the who runs can read all about such counsels.

RAILROAD NOTES.
The question of putting a third man on railroad locomotives making long runs is being agitated by patrons of some western roads.

On Sunday, Nov. 16, new time tables will go into effect on the Lehigh Valley, New Jersey Central and Philadelphia & Reading Railroad.

A locomotive on the Mispah Valley road hauled 150 loaded cars with 1,844,851 pounds of freight, the total estimated weight of the haul being 5,642,811 pounds. A grievance committee of Brotherhood brakemen made complaint to the Lehigh Valley officials at South Bethlehem, when it was informed that complaints must come from employees, not from Brotherhood men.

There was a time when a man could travel from one end of the country to the other by showing a switch lock key or a conductor's punch, but things are changed now and railroad men find a difficulty in traveling, even on the road upon which they work, unless they show an employee's pass or a straight ticket.

President Harrison Appoints November 27 as Thanksgiving Day.
The following proclamation has been made by the President of the United States: By the grace and favor of Almighty God, the people of this nation have been led to the closing days of the passing year, which has been full of the blessings of peace and the comforts of plenty. Bountiful compensation has come to us for the work of our minds and hands in every department of human industry.

Now, therefore, I, Benjamin Harrison, President of the United States of America, do hereby appoint Thursday, the 27th day of the present month of November, to be observed as a day of prayer and thanksgiving, and I do invite the people upon that day to cease from their labors, to visit their accustomed houses of worship, and to join in rendering gratitude and praise to our beneficent Creator for the rich blessings He has granted us as a nation and invoking the continuance of His protection and grace for the future. I commend to my fellow citizens the privilege of remembering the poor, the homeless and the sorrowful. Let us endeavor to merit the promised recompense of charity and the precious acceptance of our prayers.

TO THE SUBSCRIBERS OF THE CARBON ADVOCATE.
On Friday morning, Nov. 7, last, we sent the CARBON ADVOCATE to the Lehigh post office for delivery through the mails to our subscribers. We were somewhat surprised when about 9:50 o'clock of that day one or two persons dropped in and said their papers were not in the post office; we could not understand this and so told them. In the evening of that day we were informed that A. W. Handwerk, the postmaster, had at the suggestion of one of our subscribers (?) embargoed them in the post office, for the reason that the issue of the ADVOCATE gave the names of the winners of prizes in a 40 cent local drawing. Upon inquiry we found that such was the fact—that a law or ruling of the post office department prohibited the publication of such matter; that the matter was referred to the Postmaster General at Washington, D. C., in the meantime the papers were held by our postmaster, with the exception of those to be delivered from the Lehigh post office, which were delivered to us on Saturday evening. The answer from the Assistant Attorney General reached us Wednesday morning, when we obtained the balance of the papers from the post office, as follows: H. V. MORTIMER, Dear Sir, The Ass'y General says "unavailable."

A. W. HANDWERK, P. M. Lehigh, Pa. When we got out the objectionable matter and re-mailed the paper. We had no knowledge of any such law relating to local charitable drawings, which we understand, on an Saturday evening. The answer from the Assistant Attorney General reached us Wednesday morning, when we obtained the balance of the papers from the post office, as follows: H. V. MORTIMER, Dear Sir, The Ass'y General says "unavailable."

SECRET SOCIETY NOTES.
Pennsylvania has 982 T. O. O. F., lodges, with a membership of 92,887. Immaculate Conception, of Salina, Westmoreland county and Mirph Castle, No. 394, of Wheatland, Mercer county, were instituted on November 8th.

Eight Rebekah degree lodges of Illinois have succeeded in their cause, it is said, by the grand master indicating that he did not want any deadwood in the order.

Isaac C. Mills Castle, No. 395, of Middletown, Fayette county, was instituted on Nov. 14th. The first issue of the "Knights of the Golden Eagle" under the management of Barnes & Reinicke, made its appearance last week, enlarged and improved. It deserves the support of every Eagle Knight.

The recent encyclical of Pope Leo XIII copies of which are to be read in Catholic churches, attacks the Masonic Order vigorously, especially the Masons of Italy, and declares them to be "animated by the spirit of Satan, whose instrument they are." The Pope says Masons "are consumed like their impious, evil, mortal and irreparable hatred against Jesus Christ and His work, and they do their utmost to overthrow or enchain it." Masons are blamed for their "deceitful and blasphemous approval of the Pope by the Italian Government."

PACKETTON LOCALS.
—Thomas J. Harleman and W. A. Long were both on the sick list last week. Cards are out announcing the wedding of Miss Emma, daughter of our townsman Charles Langhammer. The happy event will occur Nov. 27th.

—Mr. and Mrs. J. B. Dilley, of Wilkes Barre, are visiting at the natural home of W. Lee Siles. They were in attendance at the wedding of Miss Lulu Zehner, of Lehigh.

—Dr. Zern and the Principal of the public school at Weissport, paid the public scale office at Packerton a visit Saturday afternoon, and they each wore a yard wide Democratic smile.

—Bennett Council, No. 96, N. P. U., now has eighteen members with a promise of several additions. The Council will occupy their new quarters over the Packerton office. The meeting nights are the first and third Wednesday of each month.

—John Schell, has returned from Los Angeles, California, where he was in attendance as a delegate from the Brakeman Brotherhood. He is delighted with his trip and grows eloquent in describing it. John comes back with enlarged views of the vastness and enterprise of our country.

—Senator Kaphner now can feel proud of the vote cast for him. He beats all records. No one acquainted with our Senator but what admit his ability to represent us creditably. Ballot Reform will have an able, persistent champion in him. Gov. Pattison will need just such men in his office to secure this needed reform.

We are credibly informed that one of our intelligent young men, a member of a secret society, intended to leave the country should go to a foreigner for public office. Poor fellow how narrow and bigoted his declaration, and yet, this is the way our country is being run. For Stewart like a little man. The bald truth is that such fellows are so partisan that none but Republicans get their voices. Time may broaden their views, but it is more than possible that they will remain bigoted partisans.

—Early Tuesday morning, we visited the polls as it is called, to see that the tickets and all other things were in order. We found our friend ex-sheriff Reigel and postmaster McDaniel looking after their respective duties. Postmaster McDaniel was on duty all day zealously caring for his party's success. There are some who think the postmaster is a little out of his proper sphere, but we are inclined to think otherwise. It is to be remembered that this is a Republican administration and that such actions meet the approval of Johnny Wanamaker, therefore no cause for complaint.
