The Newspaper Borrower. If there is any one is the world who deeven pity, it is the man who is too mean to subscribs for a local paper and week after week borows one from his next-door neighthemselves of this opportunity of obtain- bor, so that he may know what is going on about him. Yet there are plenty of such persons, and we are sorry to say that we have some in this cennty of ours. The best and casiest way to open the eyes of lank, desoleanly swear that the above statement of these penny-squeezers is for the next--"Pastnach!" this year falls upon Feb. best and easiest way to open the eyes of After this has been done once or twice he -In Berks county last year 940 marriage is no more and the penny-squeezers will at last become newspaper subscribers.
