

That the novel that rose upon its literary merits in three days in the emporium.

That the chain of fashionable weddings will extend right up to the Lenten season.

That one new resolution kept is better than a dozen or two decided upon.

That a deal of lambing is constantly carried on in town under the name of art.

That the proportion of people who go to the opera to enjoy the music is small.

That many modern fashions would have been condemned a few years ago.

That the man who wanted an "old fashioned winter" is likely to be satisfied.

That the best advice is to be given to the man who is looking for a wife.

That the man who is looking for a wife should be advised to be patient.

That the man who is looking for a wife should be advised to be patient.

That the man who is looking for a wife should be advised to be patient.

That the man who is looking for a wife should be advised to be patient.

That the man who is looking for a wife should be advised to be patient.

That the man who is looking for a wife should be advised to be patient.

That the man who is looking for a wife should be advised to be patient.

That the man who is looking for a wife should be advised to be patient.

That the man who is looking for a wife should be advised to be patient.

That the man who is looking for a wife should be advised to be patient.

That the man who is looking for a wife should be advised to be patient.
