OUR SENATOR AT WORK.

Below we append four bills introduced into the State Senate on Monday evening by Hon. W. M. Rapsher, of this district. The measures are substantial and should be placed on the statutes by the law-makers of the state. Our space is too limited to review or point out the excellence of the bills but they show their merit on the face.

AN ACT To provide for the refunding of all moneys to employees of persons or corporations in this Commonwealth who have deducted any part or portion of such employee's wages for the purpose of accumulating a relief fund, in case of sickness or accident for such employees.

Section 1st. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same: That hereafter all persons or corporations who have deducted or retained from the wages of any of their employees any sum of money for the purpose of creating a beneficial fund for such employees in case of accident or sickness, shall be refunded to such employees in case he or they shall be discharged from the employ of such person or corporation, less the amount that such employee may have received out of such fund prior to his said discharge, interest to be computed upon what may have been paid in, or paid out.

AN ACT Providing that no corporation outside of within the Commonwealth, of Pennsylvania shall become surety for by agents or employees of any Railroad or Express Company doing business in this Commonwealth, and that the Courts of this Commonwealth shall have no jurisdiction to enforce the collection of such bonds.

Section 1st. Be it enacted that hereafter no corporation foreign or domestic shall become surety for any agents or employees of any Railroad or Express Companies doing business in this Commonwealth, and that the courts of this Commonwealth shall have no jurisdiction to enforce the collection of such bonds against such principals or sureties.

AN ACT Restoring the common law rights of the Sheriffs of the several counties of this Commonwealth.

Be it enacted that the Sheriff of each and every county in this Commonwealth shall be the chief conservitor of the peace and dignity of the county which he represents, as the common law has handed the principle down to us by the greatest jurists for centuries, and that no Pinkerton armed men and Coal and Iron Police men, nor any other organized body of men, by charter or otherwise, shall have any right to act in any capacity, as conservators of the peace unless duly summoned or requested so to do by the Sheriff of the proper county.

Section 2nd. All acts inconsistent with this act, be and the same are hereby repealed.

AN ACT To prevent young or inexperienced persons from being employed by any railroad or tranportion companies in handling, giving or delivering train orders within this Commonwealth, and providing a penalty for its violation.

Be it enacted that hereafter it shall be unlawful for any Railroad or Transportation Company in this Commonwealth to employ any person under the age of nineteen years to receive, handle or deliver any train order relating to such railroad or transportation service, and no person whatever shall be employed to deliver, handle or give any train or transportation orders unless he shall have first served an apprenticeship of at least two years in the proper office of such company.

Section 2nd. Any person or any officer of such company who shall violate the requirements of this act shall be guilty of a misdemeanor and on conviction shall be punished by a fine not exceeding one hundred dollars and an imprisonment not exceeding one year.

LITTLE GAP.

—The "nic-nack" parties have died away, but surprise parties have taken their place.

—Miss Laura E. Green, an estimable young lady of this place, was visiting friends at Allentown last week.

The measles and mumps are raging in this section, thinning the attendance at the various schools throughout this township.

—The George's school was closed on Wednesday last, because the teacher, (Alvin H. Silfies,) was in attendance at the funeral of Minnie Silfies.

—Quite a number of our Little Gap folks attended the execution of Oliver W. Stangly on Thursday last.

—Mr. Benjamin Correll, of this place, celebrated his 52nd birthday anniversary on Sunday last. Mr. Correll is a great consumer of tobacco, and the following articles was presented to him by various friends on this occasion: five papers of smoking tobacco, three smoke pipes and one box of matches.

—Silas L. Beer, the popular miller of this place, has left our town, and now resides with his father at Walnutport. The Little Gap mill is now in charge of John Costenbader.

—The Overseers of the Poor, of Lower Towamensing township, on Monday, sold a lot of paupers to the best bidder. This brings out the old truism, it is no disgrace to be poor, but it is devilish inconvenient.

—Alvin H. Silfies, of this place, celebrated his 24th birthday anniversary on Thursday last.

—Wesley V. Silfies, of this place, paid a visit to his brother, Josiah, who lives on First street, Lehighton, last week.

—Minnie, a daughter of Josiah M. and Mary Silfies, of Lehighton, died on Sunday night, after an illness of only three days, she was aged 4 years, 6 months and 17 days. The funeral took place at 11 a. m. on Wednesday, the services were conducted by Rev. S. B. Stupp, pastor of the Lutheran church, at Trachsville.

—Miss Diana Kunkel, a student at the Kutztown State Normal School, visited her parents and friends at this place last week.

Church Services.

The regular church services of the Ebenezer church of the Evangelical Association, of Lehighton, were held in the 1st Presbyterian church last Sabbath, and considering the state of the weather, were well attended. Regular services will be held in said church, on next Sunday; preaching in German, at 10:30 a. m., and at 7:15 p. m., in English by the pastor, J. S. Newhart. The regular Sunday School services for said congregation will be regularly held, from henceforth at 9:15 a. m., each Sabbath. The services on next Sabbath evening will consist of singing Easter Hymns, and an Easter sermon, by the pastor. Said congregation will soon organize a Young People's Alliance, and the ladies will organize themselves into a Ladies' Aid Society. The work will go on in all its departments. The young people will hold a meeting in the basement of the said church, on next Saturday evening at 7:30 to consult about the organizing of said Young Peoples Alliance. To these services a general invitation has been extended, and the prospects for success is apparent. A young peoples' meeting will preceed the preaching services next Sunday evening in the Presbyterian church at 6:30. The topic for the occasion will be "Faith." Said service will be led by Mr. John Heberling, who is leader of one of the classes of the congregation.

He was born in Millport, this county, on December 25, 1840, and was accordingly aged 45 years. He leaves a wife and seven children to mourn the death of a kind husband and affectionate father.
