SATURDAY, JUNE 24, 1901.

BASE BALL GOSPEL. The Lehigh club was defeated last Saturday by her old rival, the Tamagna, when they met for the first time this season. There was a large audience on hand to witness the contest, and for the first four innings they saw as fine ball playing as they have ever seen.

Joseph Gormley, pitcher of the Tamagna Club, will arrive in this city this morning, says "The Citizen's" Phil, Esquire, and will play for the Broad and Huntington streets, where he will be given a trial by Harry Wright Gormley comes from Lansford, Pa. He is described as being as big as Bill Brown, a left hander, with great speed and all the curves. Chris, Fulmer, the old Baltimore catcher, who has been catching him, says Gormley is a better pitcher than Jack Silvestri. Gormley has pitched nine games this season and only two runs have been made against him. Last Saturday he struck out a Lehigh Club for one hit. A week ago he held the Lehigh Club down to two hits, and one player got both hits. Chris says Gormley is a better offer, but he prefers to play nearer home. It may be that the Phillies have at last found the long looked for "home run."

The usual large crowd assembled at the Freeland base ball park Monday to witness the game between the Freeland and Scranton teams. The game was a bitter one and the treatment accorded the visitors was outrageous. A few strangers gave an occasional cheer for the visiting club but they were immediately drowned with the boisterous yells of the Freeland enthusiasts. The umpire favored Freeland in his decisions and the accounts reported in the score standing 6 to 6 in Freeland's favor at the close.

Saturday the Jeaneville and Drifton base ball clubs met at Jeaneville and played a very nice game on both sides up to the six inning, when the game was broken up in a wrangle about a foul. The score stood 3 to 0 in favor of Drifton. The players put on their clothes and prepared to leave the ground. Many of the spectators left also, when the game was resumed and resulted in favor of Drifton by a score of 5 to 1.

The strong Temperance club, of Bethlehem, will play here Saturday. The Temperance club of Jeaneville, Tamagna spirited game, so a first-class hustling match for honors can be expected.

The umpire made a very sarcastic remark when the Jeaneville club commenced to play with the Lehigh. "What did he say?" Hazelton Sentinel. "Play ball," Hazelton Sentinel. "One thousand people witnessed Jeaneville and Drifton play ball Saturday at the former place. The game was dropped to Drifton by a score of 1 to 1.

SPICILY TOLD.

The News of a Lively Town Told in a Few Words by a Heating Reporter. -Persons who complained so loudly about the absence of the season, murmured at the frequent cold rains, and were disposed to quarrel with Divine Providence for withholding His warm sun from the earth, have discovered in this, no doubt, that summer has made its appearance in earnest. The past few days have been peculiarly propitious, the mercury in the thermometer mounting way up in the 70's.

A handsome and jolly set of fellows were made up as follows: E. W. Adams, Henry Schmitt, Charles Miller and Tom Snyder, of this city, and they were fishing in Bear Creek three or four days this week. We didn't see the trout, but they say "so ben fat glick cotta." We hope so.

The children of St. Peter's and St. Paul's Catholic church, this town, will participate in the first communion, on Sunday morning, when special services will be held. On the occasion Rev. Father Meroh will be assisted by a visiting priest from Philadelphia.

The lumber work for the home team, and for the first four innings Cain was invincible, but in the fifth his arm gave out and they commenced to hit him freely. Neither nine scored to run until the fifth, when, with two men on bases, Sam muffed a fly ball, and two runners followed each other quickly over the home plate. After this Lehigh played poorly and Tamagna had it all their own way. Here is the score by innings: 3 4 5 6 7 8 9 TAMAGNA - 0 0 0 0 2 2 1 X-8 LEHIGH - 0 0 0 0 0 0 0 0 0

Carl's announcement of the approaching nuptials of C. Orion Stroh, a popular Freeland lawyer, formerly of this city, to Miss Lizzie Cullin, of Philadelphia, are not so much the unexpected event comes out on the 29th instant. Both parties are well known here and have kind wishes of many friends for a fair voyage over the billowy foam.

Several Lehigh Army people from Allentown attempted to organize a flock at Mauch Chunk recently, but were unsuccessful says the Critic. The place is well adapted for a large organization of the kind and the boys made a grave error when they failed to take hold of the matter properly.

Judge Dreher, on Wednesday sentenced two Wally boys and a little fellow named Kunkel, of Peckerton, to four months' imprisonment for robbing Hugh Harkin's store at Coalport and at the same time the boys made a grave error when they failed to take hold of the matter properly.

THE POLITICAL CAMERA.

The Ohio Prohibition convention, in Springfield, adopted a white rose with a sprig of leaf as the party emblem. The platform adopted, denounces the liquor traffic; demands a revision of the liquor laws; and a natural prohibition laws; declares for woman suffrage; recognizes gold silver and currency as the proper circulating medium issued in sufficient quantities to meet the wants; that the expenses of the Government should be paid by income tax.

The county offices to be filled by election in November are Sheriff, Prothonotary and Jury Commissioner. Also, three delegates to the Constitutional Convention to represent the Senatorial District made up of Carbon, Lehigh and Pike counties. The ballot is voted for and the three highest will be the elect. Taking for granted that party lines will be drawn, our district will be represented by two Democrats and one Republican.

The 1801 election is hardly on before candidates for 1892 are talking of themselves. Tom Arner, of Franklin, is the Democratic nomination for Assembly; ditto Percy Faust, of Weatherly, while Dan Graver's close friends think he would make an excellent figure at Harrisburg.

The main use of administering an oath of fidelity to a man entering upon a public office is not to get an additional hold upon him in the event of his going wrong, but to impress him and those surrounding him with the importance of his obligations and the solemnity of the trust that he assumes.

The Lehigh Valley Editorial Association has decided that "sniffs" for political aspirants must be paid for. Heretofore this has been a very light expense for candidates—many of 'em never paying for their announcement card.

What is Scrofula. It is that impurity in the blood, which accumulates in the glands of the neck, produces unsightly lumps or swellings; which causes painful eruptions on the face, arms, legs, or feet; which develops ulcers in the eyes, ears, or nose; often causing blindness or deafness; which is the origin of all those numerous growths, or many other manifestations usually ascribed to "humors."

It is a new formula which suits consumption of the lungs, and is equally efficacious for all possible features of blood. Being the most scientific, it is the most general of all diseases or affections. For the few reasons mentioned, it is the best medicine for Scrofula. How can it be cured? By making Moll's Sarsaparilla, which, by the cure it has accomplished, often when other medicines have failed, has been found to be a potent and peculiar medicine for this disease. For all affections of the blood Moll's Sarsaparilla is unquestionably the best. It has been analyzed and found to be a pure and healthy article. If you suffer from scrofula in any of its various forms, be sure to give Moll's Sarsaparilla a trial.
