SAURDAY, JULY 25, 1891.

Home File Circulation Larger than that of any Weekly Newspaper in the County.

IT WOULDN'T BE OUT OF ORDER, now that the Record and Democrat are posing as purifiers, if the Democrat would repeat its little story about the Record and a certain piece of legal advertising that was stretched out. It should have no scruples in telling this story in print.

IT WAS JUST AS WE EXPECTED, when we referred to Jimmy Malloy's connection with the foot racing business. It hit him in his most vulnerable place. We told the truth, however, as the sporting fraternity of the upper and well known, and as an instance of his efforts we refer to the Sullivan-Milley foot-race in this town some years ago, which according to all reports, was a deliberate fake. This is the sort of a creature that Governor Pattison forces on the trustees of the State Hospital as a colleague; the sort of a creature that Carbon county once sent to the Assembly by a scratch; the sort of a creature that wanted to be judge; the sort of a creature that now wants to dictate to the Democratic people who shall fill the public offices of the county; a creature who is despised in his own home by decent and respectable people, an irresponsible creature who brings to play the vulgarism of the slums in the midst of honest and law-abiding people who will not be abused by public officials who refuse to satisfy his hungry cry for patronage. This is the creature that afflicts the decent people of the Democratic party, and his senseless waddle is doing more to injure the future welfare of the Democracy than anything else. He carries on his line of business on the "stand and deliver" policy. If you don't drop a nickel in the slot he attacks your public and private character through the columns of his newspaper. This was what he gave Dominick O'Donnell, ex-Commissioner, for many kind remembrances, let alone the brutal language he used in reference to Henry Miller and others if the Democratic party expects to profit by having a creature of this kind in the ranks they are badly mistaken. Intelligent and able people don't want to associate with him. Just now he is abusing a public officer who refused to have anything to do with him in the way of giving patronage support. A man who deliberately ignores such a creature is to be honored.

WILL SOME ONE PLEASE explain to us how E. H. Rauch, of March Chunk, and J. A. Quinn, of Lansford, can pull together? From all appearance the Schweifbrenner of the Democrat has swallowed an awful dose. This is only one of the funny things resultant from the parity combination.

IT WILL NO DOUBT greatly interest the M. C. Democrat to learn that recently the County Commissioners felt dissatisfied with the price of a job of printing furnished by the Prothonotary by this office. The Commissioners mailed a sample of the work in question to a Philadelphia printing house for a price, and in return were quoted a figure so near the Advocate price that they immediately paid the bill and expressed themselves as satisfied in every particular. We make a note of this here, for the purpose of showing the people of the county that the perfidious old rat of the Democrat is doing a big lot of lying in regards to the county printing. The price on this job was on the same basis as we charge for other blanks for the county officers, who secure a good quality of work at a legitimate figure—the same as any business firm or corporation secures when we do their printing. For some time it has been the pleasure of the Prothonotary to make fallacious statements in regard to the price and work furnished the county officers, and while we never alluded to the matter preferring not to dirty our columns with the use of Rauch's name in correcting the lies he has been pleased to circulate, we however, think a reference to this one case excusable and certainly reasonable as a means of letting the people know that his only reason for objection is the fact that the officers prefer to have their work done elsewhere than in his office. The editor of the Democrat has certainly resided in the county long enough to know that the people of the county can not be imposed on to believe his insane statements. In fact, so frequently has he been caught in one way or another that our citizens no longer take any stock in him.

MISTERS MALLOY, not unlike a purp, grows when trod upon. A fellow with a tin eye can see this. Take your medicine like a man, Jimmy.

THE COMMISSIONERS appointed by Governor Pattison to locate a site upon which to erect an asylum for the chronic insane of the State, will visit Neamath the latter part of July. The last Legislature appropriated \$500,000 for the purchase of a site and the construction of the buildings. Five hundred acres of ground are required for this purpose.

Leighton ought to have this institution. Our pure air and water are naturally conducive to health, and would greatly aid in the treatment of the unfortunate who are confined in such asylums. Our town is easily accessible from all parts of the state, and possesses many conveniences not to be found elsewhere.

The amount of money to be expended, and the subsequent great disbursements for its maintenance, should be sufficient to encourage our people to have the institution located here.

THERE WAS NEVER a more contemptible method of electioneering done by any candidate than that pursued by the Democrat and Record against George W. Esser. The organs of Klutz and Cassidy are veritable steam machines in their opposition. Come, be more manly.

THE CARBON ADVOCATE has nothing against Hon. Michael Cassidy, but if it is true that he told B. J. Kuntz, that in the event of George Esser's re-nomination for Prothonotary the Republicans could elect their candidate for that office if he be a good man, then Mr. Cassidy should at once resign as Chairman of the Democratic County Committee. No party should allow a man to be at its organization who can talk that way.

SINCE THE DEMOCRAT don't get the bulk of the county printing it is crying fraud. A big baby is that institution that can't fight a more manly battle. But then Rauch never could be honest, its against his nature.

TO SHOW THAT THIS journal is not actuated by personal feeling in our expression of the honorable misanthropic jimmy malloy, we quote from the March Chunk Gazette of a late issue the following, which tallies exactly with our measurement of the creature: "Malloy's complacency is attributed to the fact that he has been sucking at the county teat ever since he discovered the tricks of politics. Men who are bleeding the people should not parade their degradation in public print."

THE POLITICAL CAMERA.
The friends of Dr. J. G. Zern claim that he would make a creditable delegate from the second district to the Constitutional Convention. He has the necessary qualifications except one, and no man in Carbon county could fill the bill better.

ADVOCATE EXPRESSIONS.
The borough police should make a strong effort to stop fast driving. It is dangerous to speed horses on First street.

The walks in the Park should be filled in with gravel. As it is, every shower converts them into running streams.

Our 600 feet of hose is taking all the chances. No hose carriage and no hose house. In an event of fire our people would be practically helpless, yet this is a progressive borough.

A new Lehigh Valley depot wouldn't be any too good for this town. The present structure looks as if it had been set upon by the heavy officials of the road. Give us a new depot.

SEVENTH SOCIETY COSSIP.
Governor Pattison has signed Senate bill, No. 145, which prohibits persons not members of the Order of Sons of Veterans, from wearing the badge, shield or insignia of the order, under a severe penalty. This places the Sons of Veterans on the same footing as the U. S. A. R., Loyal Legion and other military orders under the jurisdiction of the act of March 8, 1880. This is one of the results of the Dubois Encampment, held last May.

The Odd Fellows of this State have every charter filled from No. 1 to No. 1010. This is the first time this has happened since the early history of the Order. The total membership is close to 100,000.

Lehigh Council, No. 101, Jr. O. U. A. M., of this town will have handsome flags in the new school house at Packer-ton.

Erve McDaniel, of Oak Grove Council, Jr. O. U. A. M., has been elected a representative to the State Council session at Uniontown in September.

The fourth re-union of the Knights of the Golden Eagle of the Susquehanna District will be held at Shamokin September 7th. There will be a grand demonstration of the Commanderies and Camps.

Nesquehoning Castle, 487, K. G. E., of Nesquehoning, will hold a grand fair and festival on August 7th and 8th. A grand parade will take place at 6 o'clock p. m. on the 8th.

The members of Lansford Castle, No. 90, K. G. E., have organized a Commandery and on September 3rd, 4th and 5th they will hold a grand fair and festival for the benefit of the Commandery.

An effort will be made by Mr. Schuyler, of Philadelphia, now of this city, to re-organize the defunct John Lewis Camp, Sons of Veterans. We hope he will succeed.

Don't be discouraged about that society which have given Ayer's Sarsaparilla a persistent trial. Six bottles of this medicine cured the complaint for George S. Thomas, of Ada, Ohio, when all other remedies failed to afford any relief.
