district or division thereof for which any Weslty Newspaper in the County.

Writt true opening of the new school house at Packerton the grand oldstars and stripes will be placed conspicuously in the rooms. The custom is beautiful one, full of patriotism and deserves commendation, but beside placing the flag in the schools the patriotic orders should go one six rote for any office of the last preceding election all things some of the judges mains some of the judges mains some of the judges mains the state of the last preceding election all things some of the judges mains per of qualified electors of the last preceding election all things some of the judges mains and soveres to applicant the substance of division for which said government they want to adopt as their homes. A closer attention to this would give us a far better quality of our officials. Place the flag in the Court House.

It is certified of the meandering Lebigh (Rev., north of the Blue Mountains, page and Mauch Chunk. (This the special constitutions allowed the page and Mauch Chunk. (This the special constitutions and deserves commendation, but beside placing the flag in the custom is a beautiful one, full of patriotism and doserves commendation, but beside placing the flag in the State, for judging from a last one balf of 1 per cent. of the last preceding election in the state of the sate of the west for large the number of qualified electors of the sate with its two squares frm Bow last the state of the last preceding election in the state of the sate of the section of the sate of the state at the last preceding election in the said electors of the largest the section of the sate of the last preceding election in the said electors of the largest the number of qualified electors of the sate of the sate of the section of the sate of the sate of the sate of the section of the sate of

GROVER CLEVELAND IS to go to Ohio

tolerate at its official head such an incipient individual as Rauch is hard to tell, unless it is because the gang he now represents can get no one else to serve them so acceptably. A man who openly vows that he will not support cetain persons if nominated, when he calls his paper the official organ, should be relegated to the Sandwich Islands.

We acknowledge the receipt of an invitation to be present at the laying of the cornor stone of the new building for the Mail and Express at high nooh August 19th, 1891. The building will be erected at 263 Broadway and 164, 166, 168 Fulton street, in the City within this township and borough offices shall be filed with the County Commissioners of the respective counties at least forty-two and thirty-five days respectively before the day of election. Certificates for candidates for township and borough offices and nomination and nomination and school directors in the same shall be filed with the County Commissioners of the respective counties at least forty-two and thirty-five days respectively before the day of election. Certificates and school directors in the same shall be filed with the County Commissioners of the respective counties at least forty-two and thirty-five days respectively before the day of election. Certificates for candidates for township and borough offices and leaction officer and and school directors in the same shall be filed with the County Commissioners of the respective days respectively before the day of election. Certificates and election officer and and school directors in the same shall be filed with the County Commissioners of the respective days respectively before the day of election. Certificates for candidates for township and borough offices and election of nomination and nomination and school directors in the same shall be filed with the County for candidates for township and borough of nomination and nomination papers deficient.

164, 166, 168 Fulton street, in the City within thirty days after the last day of New York, and when finished it will for the filing of such certificates and be one of the most complete printing papers.

Second—In the case of other certificates and papers, except those designed for borough and township officers, within twenty days after the last day for the filing of such certificates and papers, except those designed for borough and township officers, within twenty days after the last day for the filing of such certificates and papers.

sevent-announcement in the country. It is a wide awase and true legalistic management and abould always be line. It is management and abould always be line. It is management to be a sevent-announcement of the country in the country of the least of the provincing certain expenses to be paid by the common and election of public efferes, which are compared to the country of the several countries and critario the common and apparent controlled to the country of the several countries. Rauch close his foul mouth and give the people a rest.

Up to date, science has discovered nothing small enough to compare with jimmy malloy's principles.

There seems to be an increasing disposition on the part of the leaders in the Republican party to frown down the Constitutional Convention to be voted for at the coming fall election. We leave the people to judge the why and wherefore. Both parties were pledged to ballot reform and the convention. They should face the music manfully.

Some one has discovered in any nomination papers to describe designate the party or policy or
