RAILROAD HUMBLES.

The Lehigh Valley has just turned out a new dirt burner from the Weatherly shops. It is No. 596, and the boys say that she is a dandy.

An exchange says that the Lehigh Valley Railroad has made a contract for carrying 5000 cars of grain from the West over its road and is at present engaged in fulfilling the agreement. An average fifty cars of grain pass over the road daily.

THE POLITICAL CAMERA.

The Crawford county Republican Convention has declared for James Blaine, for President, Quay is getting in his work on Harrison.

A pretty wedding was happily solemnized at the home of Mr. and Mrs. I. S. Koch, on Second street, Tuesday morning, when Miss Laura Master, of town, and Granville Knerr, one of Bangor's popular business men, were united in the golden bonds of wedlock by Presiding Elder Hill, of the Allentown District of the Evangelical Association. The young couple will reside at Bangor, Pa. We tender warm congratulations.

It is thought that but few of the members of Lehigh Fire Company, of town, will go to Lock Haven, to participate in the state Firemen's Convention, instead, however, the "boys" will attend the firemen's tournament at Bethlehem sometime during next month.

Elsewhere in this paper you will see the advertisement of Owen Rehrig, who offers a new line of school books and school supplies at the very lowest prices.

John and Harry Fagan, under whose management Central Hall has been conducted for several seasons past, giving the people of this city first-class shows and they should be supported in their efforts.

A Good Show. J. L. Jackson's circus, exhibited at this place two good audiances yesterday, and although unaided by any special display of advertising, they succeeded in giving an entertainment so clean and bright that it has rarely been equaled in a 25 cent show. The performers were first-class and would put to shame some of the more pretentious shows. The feats of strength and daring by the Morello family, who by far the best ever seen in Lehighburg, while the performance upon the bouncing rope by Sig. Dandout was quite a feature. The show is conducted on an honorable basis, and the people are a well behaved, respectful people. The above show will exhibit at Lehighton Aug.-28.

Fence Posts. For good dressed and solid fence posts, fence rails and other timber, call on Fred Schmidt, Lehighton.
