THE IMMORTAL SOUL.

Jeerwatem, Josh!

Reply to the Athelats. which he gave expression to his faith in the Infinite and in the soul's immortality lis friend, Houseye, who was present

ith no sign of old ago about lihu, but ith all the agility, the succheness, the se and grace of his beast versa." II as contradicting the atheless, and h friend says, "his face was brule wit se heavenly halo and his eyes shows all

ere are no occult fores,' he said; choos, the lands out force is God. an is an infinite little copy of their congletor man. I amanam, as visible atom, a drop in the occur, a . I feel the God in me, because I can a bring forth out of my chose. I ke books, which are creations; I feel n myself that future life; I am like a forest which has been more than once down; the new shoots are stronger nd liveller than ever.

I am rising, I know, toward therby The sunshine is on my head. The earth gives me its generous cap, but be even lights me with the reflection of new naven worlds. You say the soul is nothing left the result of bedlif powers. Why Co. i, is my soul more luminous when my bodily powers begin to fall? While is no my lead and eternal spring is in my heart. There I breath at this hour the ragrance of the Blacs, the violets, and the roses as at 20 years ago. The nearer I approach the end the plainer I hear 2nd.—A saving of several around me the immertal symphosics of the worlds which invite me.

" 'It is marvelous, yet simple. "It is a fairy tale, and it is historie. For half a tury I have been writing my thoughts in prise and verse, history, philosophy, drama, romance, tradition, satiry, one, and song. I have tried all, but I feet I have not said a thousandth part of what is in me. When I go down to the grave one say, like many others, I have fin shed my day's work, but I can not say

The Grant Roys. U. S. Grant, Jr., for he still incists pon adding the distinguishing mark of unior to his name, comes into the city alto frequently, but he spends most of is time upon his farm, in the Harier Calley, about 40 miles from New York grows to resemble his father very really, and his mother declares that h ks now almost exactly as his fathe id when he left Galena on his way t ffer his services to the Government ently Mr. Grant has returned from a edi to his brother Jesse, who is in Mex o, and he reperts the brother is on the sigh road to fortune. Young Jesse is working in the Mexican mines with

lemocratic equality with the employes and though he has dined with the Queen of England, and is the son of the grea general, yet he handles the pick, when it a necessary, with enthusiasm, and he is remaded that before many months the ino will have developed a new bananca x-Senator Platt, ex-Mayor Grace, and other business men here who know the Grant boys, well declare that Jesse ha remains business ability and business en-thusiasm, in that respect differing from his brothers. It would not surprise busi-ness men here if Jesse one of these days no back to New York a capitalist.

low York Letter, Sighting Gons at hight. Illuminated night eights are now in var ships. The front sight consists of cone of pale green glass, point up, be neath which is placed a small incandes out lamp. The rear slight is similar in rinciple, except that instead of the cone here is a metal cross bar with a V notely a the middle. There is a polished under face to this sight from which light hat first passes through roby glass is effected. In sighting the pale green oint of light which constitutes the for-ard sight is brought to the bottom of ie V notch in the rear night and the lin ruly light is brought into coincidence with it. The electric current for each can is supplied by a pattery of two ele-ments, so arranged that the action may

stopped by turning the battery upsids How She Learned English. Modjeska's account of how she learned English is a lesson to those who would triumph in their undertakings. Located in San Francisco, with her husband and boy lying sick in the mountains of south California, the plucky Pollah woman started in with a vim to conquer our lan-guage, so that she might speak it upon the stage. Her first teacher was a German, and several weeks were wasted in
learning English which was flavored
with such a strong German accent that

The plane for the first time,
"the blame fool that filled this quart betwith such a strong German accent that tencher was a young Polish woman who spoke excellent English, and who taught him. Modjeska each day from 8 in the larger share coming from English. owning until 8 o'clock at night. Her dist appearance was such a decided suc-cess that Modjeska telegraphed just one word to her husband, and that word was, "Victory." In Modjeska's own words, "a new career in a new country was open to me, and the waves of the Hay of San Francisco no more called me to their cold.
