If Esser wins there will be cal fraud over perpetrated in Carbon county was encompassed in the magic circle last year by these fellows, and their stocces then prompted them to repeat the same methods this year, and months before the holding of the County was encompassed in the magic example. It is still fresh in the memory of the friends of Dr. J. G. Zern, just how abitrarily he was set aside by the contingent. Do Democrats months before the helding of the Coun- want a continuation of such methods ty Meeting was dreamed of they had all the preliminaries cocked and primed this and nothing more should influence this and nothing more should influence the present the prese for action, but fortunately the scheme every Democrat in Carbon, when they was given away too soon and the honest cast their vote for county officers. Democratic voters of Carbon county prepared to offer defeat, but plans so long laid were not to be easily defeated and they swept things with a rule or ruin policy; but not satisfied here, they intrigued with leaders just as corrupt

n the state and district and there gained recognition, but not before the people saw the trick, saw the mean, dirty methods to which men who have been honored by their party, far beyond their meed, would stoop to gain control of the party organization. Now they come and blandly ask your support. Do you want to throttle your independence? Do you want to make a political slave of yourself? Do you want to humble yourself to these men who, like Judan Iscariot, would sell you for a pultry place of allver? If you do, let 256 that comming ustate individual, the great and honorable Mickey Cassidy get you in his control, and for some years to come you will see in what position the Democracy of Carbon county will be. He will be the chief mogul and Democrats, foolish enough to fall into the trup he sets for them, will be the ones to suffer. We estimate less than 1000 votes all through the county for 3345 the bolters from the regular ticket, and there are those well versed in politics who pince the number even less. We hope it may be, just to show these contemptable aspirants that the people condemn them for their mean and dirty methods. The people have the power to crush them! Will you do it? If so, now is the proper time. ADMINISTER
