It is a pipears, however, that is one care, at least, the overestip was an amost for a philane region to give, noth-reless, to fact, then start of acceling to If habits of temp rance into the peo Tim Rev. Mr. Manhemit, a War ago houselry for 14 years, with the aid of name and his wife, who, in addition to i ...ir wagen, get a commission on all enta-bles, last nothing on the drink sold. Beer is the only liquor supplied, and as there is no other public house in the parish persons who want that other English beyonge, gin, must go to some village which does not have such a consciently

Mr. Mordaunt's beer is said to be un sscally good; and yet his customers link little of it, as I drawkenness has aland entirely displaced. A portion of he profits of the liestelry has been de-med to the sinking of wells and the metion of pursues, and the villagers, instead of spending their evenings and availings in a six of tap rooms, gather it knots around their favorite pump and discuss crops and 1 littles to the creak of the pump handle. It is an idyllic picture which is thus presented, and if all be true the rector is dolor a more practica work of him volumes than are those of his cloth who are formulating new systems

of theology, -Phil. delphin Record, The record of most of the great states-men of the country tells a tale of humble beginnings and early struggles against adverse electronistances. This is the story of the early life of Weister, Clay, Calhown, Beaton, Douglas, Lincoln, Henry Wilson, Fessenden, Hamlin, Bell, Crit-tensien, Car., Flalo, Soward, Chase, and the vast majority of the country's political celebrities. It behis good also for most of the country's great warriors, literateurs, and business men. And this fact brings to our view the further fact that it is the farming districts and villages and not the large cities which provide the great bulk of the neu in every branch

of effort who leave their impress on the age in which they live. Nor is this cirumstruce entirely peculiar to our or times and to the United States, although it has manifested itself more conspicu-ously and persistently here than elsewhere, This condition of things was noticed as far back as the days of old Rome. A commentator on the history of the land of the Cossars said that of all the Romans who hold a prominent place in literature four only—Cesar, Varro, Luretius, and Marcus Aurelius - were born in the Eternal City. This means like a reckless statement to be made of a State which produced Cicero, Virgil, Orid, Horace, Tacitus, Plautus, Terence, Sal-

Educated for Matrimony.

Among the graduates of the year one brave young woman has completed a

course frankly taken in preparation for matrimony. Like many girls who make

society amusements their chief oxistence, this young woman did not realize the de-

was her superior in intellectual acquire-ments. With the realization of her igno-

rance came the determination to study

for self improvement. Entering as a pupil at a well known school for girls she

took courses in literature, philosophy, and other studies, which would enable her to

write and speak with accuracy and would teach her the best methods of thought.

She entered classes of political economy and studied the newspapers under com-petent direction. Urging her teachers to correct all imperfections in her speech

and manner, she made constant effort to attain the standard which might bring

ner nearer to an equality with her future

the most earnest and satisfactory pupils. When she graduated this year into the

refined home that has been in preparation for her she will meet her husband upon

an equality, and entertain his friends with a feeling of cheerful confidence. She says that the whole world scens

more stable since she has been sure that

ter sentences are grammatical and her

pronunciation according to the best authorities.—Boston Journal.

The e plan for State wall to a sto foldings permission with the freedings, a resolvente say that the Linkings for any content of the Linkings of the same and emphasically appeared to an character, but the day of the extension of mustelpat powers is very popular wind from There is a great feeling in favoral timelless of clinking in favoral timelless of clinking in favoral timelless of the plans which have been brought and allow now agreed authors.

e and elicit pay general support. Mr. Clipuderlain's plun concerning (to be that any man or woman stall to up to the personne and open count either by a small payment or acre payment. This may be able Finivenient, and remnisting at the it compound interest—double count which the Covernment in ows on ordinary savings bank dop s dell, when the contributor comberts of 05, and then only, be wit num, is the sleepe of a fixed amount of the rest of life.

iui Joseph Chamberlain does no we without an many behind her arring at passing feeling, the tool friend very solidly call together member of representative men who data he supposed to take follows a the passion of old ma pensions, and while executive a thing from setting forth his own viscos, to asked for the It was a envious platter—thosesreful, amive politicien sitting in the centerwith a spare, or of figure, faultiesly, defined in gray, and wearing a gold faunted monocle in his right eye—and periors bim, in a sent circle, types of bluors and quarreten men from the rough and tumble of life. Mr. Clambethae and the necessity for sing something was pressing; that note the present masss, wholler those of

ered by the government postal savings or home offered by friendly societies, were r tome remem or other able to de any ranco featur a such as the Odd Pel s, which is goneral conversation are upod under the head of "Friendly delies," These representatives manited a strong antiquonism to the pro-sed competition of the government anthat they conceived to be an interference ith their vested interests, going so faes to say that is substilled were to comport a government insurance larger the Friendly Societies should leave the right to demand the same subsidies, to Mr. Chamberlain showed that he w repared for such opposition, but he was widently not propaged for the views ex-ressed by the purely trade union repreneath the surface. First, Ben Tillett secretary of the London Dock Labo Union, aroso and said: "I don't see who interest there is in any such proposal for en who have a hard struggle to get the saibly save anything. And yet this is e almost universal condition of the un citted laborers of this country, menore than any others subject to the pan-er's lot and the pauper's grave. The flienty I see is to get these people to

ve until they are 65, or even 62. Frank Smith, of the Omnibus Union Lam in favor of an old age pension the State, and I believe it should be gui-eral and compulsory. But I believe it will be impossible to do anything effective without first giving all men a chance to make a comfortable tiving. This can be done only by first opening the land of England to the workers; by taxing the dogs in the number who are holding it idle and speculating in it. By this me the revenue will at the same time traised out of which to give every maand woman in the realm a pension of it they come of a certain age; not a charit, be, which, under whatever name, can be title better than is afforded by the present poor law, or pauper law, but a pension that shall go to every man and woman

rich or poor, without distinction, after they have passed a certain age."

Mr. Chamberlain in response said sub-stantially: "None better than I can ppreciate the exist of want and misery I have found from unquestionable off cial reports that a seventh of the popula tion reaching the age of 65 are re-ceiving poor law assistance, and when the independent upper and middle classes are deducted the percentage of poor people who must come to ask for public assistance must be very large. Indeed, I know of whole districts, whol counties-Dersetshire, for instance vhere a very large majority of the farm ward to but the workhouse in their old age. Fut I am here as a politicism and a practical man. I hold that it is impos-sible to change conditions in a day, and in carrying forward a measure which may only deal with the fringe of the great army of labor we do a great deal.

Kind Lady—And if you pile up this wood properly I will give you seme more work to do. Weary Rapples—Den I trow up de fast job, mum.—Puck.
