#### YOUR OPPORTUNITY.

The Klutz gang of lackeys representing the voters from the Republic Democracy are more than despicable. Just think of it! Klutz and his political lackey have offered to sign a bond of allegiance to a certain Democratic candidate if he would cast his vote for them. Would the people come in? This monstrous excess on the Democratic party must be crushed out next year, but now, we have the time to forever get rid of them by voting against the Combination candidates and the principles they represent. It is unfortunate that the candidates of Klutz's lackeys permitted themselves to be used in the manner that they are. Now it is too late and too despicable to fast them emphatically because the people are determined to relegate to the rear such men as Mickey Cassidy, Klutz, and the other lackeys and others of the gang who without principle, without shame and with no regard for their own aggrandizement have played the Democracy into a state of foolishness. From first to last—Bob Klutz to other lackeys—all have been and are determined office seekers, and their states will be half done for them. If they are arranged, if they should win their state will go through and the Democratic people who do the voting will have to stand by like sheep and see MICKEY CASSIDY run the machinery. Think of it! People of the lower end before you cast your vote! Will it be to place yourself with him? God forbid! You have had a sample of his worldly political jugglery; you have seen to what measures he will stoop, you have had enough of the man and his followers and of their corrupt, debauched and dishonest practices. You know your duty, it stands out before you plain and clear. Deliver the sentence of condemnation by casting your vote against the candidates on their ticket. Don't be misled by the foolish sentiment that you only stand to compliment the candidates, remember that a vote for them is a vote for Mickey Cassidy and to put him at the head of the Democratic party. The Democracy can't afford to have such a man as a figurehead, for remembering his dark political practices the intelligent people of the party would blush with shame at such a leader. You know this to be true and now that you have the opportunity send him to the rear. Vote for Bosses, Sharp, Kutz and Council.

Vote for Geo. W. Esser for Prothonotary.

#### DON'T BE FOOLED.

Don't be fooled by any promises that the Bosses of the Combination may throw out to you during the hot hours of the campaign. They are desperate; they see rapidly fading all their power of control over the people and like the drowning man will grasp at a straw. Now is the time to forever relegate them to the shades of obscurity; it is the People's time and we should take advantage of it! Now or never! Vote for Hugh Sharpe, George Esser, W. L. Kutz and John Council, and for short use a slicker for the party. Elect these men and the BOSSSES will be rebuked forever and the people will make nominations hereafter and not a half dozen corrupt politicians. Once and vote early, and don't let the Combination gang interfere with your privileges.

Vote for W. L. Kutz for Coroner.

Vote for John Council for Jury Commissioner.

#### REBUKE THE BOSSSES.

It is in the power of the voting people of Carbon county to humbly set down on the corrupt gang of political upstarts who have controlled the affairs of this county with a rule of iron policy. Will the people do it? Certainly it looks as if they would. All over the county the sentiment has rapidly crystallized for continuance in office of good, honest, faithful officials. That means the rebuke of the Bosses. George Esser by a handsome majority. Notwithstanding the corrupt practices of the holding Combination, headed by politically corrupt BOSSSES, the majority will run far up in the hundreds. A vote for him is to continue a faithful official in office and rebuke the BOSSSES. See that his name is on your ticket!

For District Delegate to the Constitutional Convention vote for Hugh J. Sharpe.

Vote for Jos. S. Webb for Sheriff.

Vote for W. L. Kutz for Coroner.

Vote for Geo. W. Esser for Prothonotary.

#### BE ON YOUR GUARD.

The people of Carbon county should be prepared for any LIE that the wily leaders of the Combination may spring just before election day. The whole gang are scared and will soon be on the run; one broadside from the people will forever settle them. But they are keeping their last card for the last day and if they are to be judged by the past there will be nothing low, dirty and contemptible enough for them to do. They must be watched! In every district Democrat and Republican must keep a close lookout so that the election lists may not be tampered with by their corrupt methods and sharp political practices. A vote against the Combination ticket is a rebuke to the BOSSSES. See that W. L. Kutz is on your ticket for Coroner.

Vote for Geo. W. Esser for Prothonotary.

#### SCATTER THE BOSSSES.

A vote for Hugh J. Sharpe, of Leighton, for District Delegate to the Constitutional Convention, will be a recognition of honesty and intelligence. Mr. Sharpe is from the ranks of labor and is not controlled by the greedy practices of corruption. He will represent his constituency in a narrow partisan manner but in a broad and conservative sense through which the whole people will benefit. A convention of men like Mr. Sharpe means a revised constitution in favor of the class who are their best friends. A vote for Mr. Sharpe will be a rebuke for the BOSSSES. See that his name is on your ticket.

For District Delegate to the Constitutional Convention vote for Hugh J. Sharpe.

#### IT IS NOW IN THE POWER OF THE PEOPLE OF CARBON COUNTY TO DELIVER A REBUKE TO THE BIG BOSSSES WHO HAVE MADE THEMSELVES SO OBNOXIOUS TO THE PEOPLE BY THEIR CORRUPT BEHAVIOUR DURING THE PAST DECADE.

Now or never, the intelligent Democrats should cast their ballots in no uncertain way in order to relegate these political upstarts to the rear so that the political system of this county can be re-organized and purged of men of the calibre of Klutz, Cassidy, Cassidy, Rauch, Embury, who make nominating conventions a farce and strangle the will of the majority. Vote to send these fellows out of this county.

Vote for W. L. Kutz for Coroner.

Vote for Geo. W. Esser for Prothonotary.

#### THE WORK OF THREATENERS.

Carbon county has permitted a low political boss of the caliber possessed by Mickey Cassidy, to make a division in their ranks. It is indeed sorrowful to contemplate that in these days of intelligence and when "reform" is the watchword of the party of Jefferson and Jackson, and Cleveland, all over the county, it was possible for a plebeian political boss to so divide a happy family as to make it almost hopelessly divided. There is consolation, however, in the fact that the great bulk of the electorate are loyal to their principles, and will ever strive to shake off the influence of domination, nepotism and selfishness.

Mickey Cassidy and his small band of disreputable lackeys prevented a full and free expression of the will of the Democratic people of this county by their vile and most despicable tactics. They choked off free speech at the county meeting, and absolutely and defiantly refused to carry the wish of the majority. They placed in the presiding officer's chair a man whose intense hatred for a leading candidate was only equalled by that of the "Shylock" who snatched his pound of flesh from the Merchant of Venice, as related by Shakespeare. This combination of fraud and treachery, however, did not prevent the election of the Democratic people, who treated with contempt the "Bosses" and their lackeys. The majority for a fair, open, and determined to run or ruin, they set up a convention with an authority which would not be questioned, and which they knew would not be elected, but felt sure that it would serve their purpose, viz. the defeat of the Democratic party.

This is the work of traitors to all Democratic traditions; the work of low, mean, contemptible cowards. The work of such a man is to divide the party, to separate the men of the calibre of Mickey Cassidy, Jimmy Maloy, Bob Klutz, Old Rauch, Deacon Spilkes, Embury, and a number of the other men who are known as Democrats. What was their purpose? Simply to "show" the favorite candidates of the people, George W. Esser, W. L. Kutz, and John Council, never been equalled and whose superior conduct is to be held in honor and respect by all Democrats. What was their purpose? Simply to "show" the favorite candidates of the people, George W. Esser, W. L. Kutz, and John Council, never been equalled and whose superior conduct is to be held in honor and respect by all Democrats.

The Combination hear their funeral dirge. Mickey and the Major, the elder and younger, and even old Rauch tremble in the dark shadows of their own questionable political work. Too late they see the error of their ways. The people will deal out the verdict next Tuesday at the polls and then the band of political jugglers will appear no more.

IT IS A TRIFLING MATTER. The leaders of the Klutz gang of lackeys are on their last legs. The other day they interviewed Hugh J. Sharpe, the Democratic candidate for District Delegate, and succeeded in making a most odious and unbecoming nomination for Registrar and Recorder if he would retire from the present fight. Imagine those upstarts signing away the People's rights! Don't this tell you that you must crush the BOSSSES to keep your liberty. Down with them now, while you have the opportunity!
