A CONTROLL OF

CARROL D. WHIGHT, Says: "It is proevery person in the United States wh ires remunerative employment cur not find it. Five hundred thousan people must compete for 400,000 place What I am saying has nothing to de with the great army of unemploye which through all ages has hung o the outskirts of civilization. I am dealing simply with currents in the

We nan the pleasure this week of reading the brilliant and able argument of Hon. William M. Eageher the state senate on the question of the jurisdiction of that body to inquire into the McCamant and Boyer matter. The senator certainly made a great point over his collegues of opposite fully for very apparent wilfuliness in the examination of the accused officers
