Every Japanese workman is ticketed He bears on his cap and on his back labels giving his name and business, as well as his employer's name.

and chloride of potash will give a brilliant flash light. It gives no smoke, and is thus far better than magnesium for photographic purposes. An Apology.

Chos, in the house of commons, Mr. Labouchero referred to the conduct of aone political opponent as being "no-worthy of a puttilogging astorney," and, ing called upon by the speaker to with draw this unparliamentary expression, did so, declaring that he was glad of having an opportunity of retreating it, "as it was a gress injustice to the atter-tion,"—San Francisco Argonaut.

reputation, Flavin and Erresito began to become rather itresome; that is to say, not to themselves, but to the people who frequented them. It is natural that brilliant people buve many exactions, it is natural that they live a life different from that of the multitude. For example, when they met at a ball, Ernesto sample, when they met at a ball, Ernesto saluted the countess and spoke with her for one mumors. Then took a liftle turn and the transmission of the multitude. For example, when they met at a ball, Ernesto saluted the countess and spoke with her for one mumors. Then took a liftle turn and the transmission of the first took a liftle turn and the transmission of the first took a liftle turn and the transmission of the first took a liftle turn and the transmission of the first took a liftle turn and the transmission of the first took a liftle turn and the transmission of the first took a liftle turn and the transmission of the first took a liftle turn and the transmission of the first took a liftle turn and the first took and the manufacted every at the first and the manufacted every at the s

Judge Rufus B. Cowing and Judge Henry A truly noble nature can not be insulted.

Rheumatism, Neuralgia, Spraina, Brinise and burns occur often and semetimes when least expected. Keep lainly the friend of many households and the destroyer of all pain, the famous Red Fing Oil, 25 cents 2. Many a precious life, could be saved that is being racked to death with that terrible cough. Secure a good night's rest by investing 25 cents for a bottle of Pantina, the great remedy for Coughs, Colds, and Consumption. Trial bottles of Pantine free at T. D. Thomas drug store.

You can't learn too much, but you can half learn too much.

With his thumb, a boy is said to have fectively and in a very novel manner, eaved the Notherlands from inundation.

Many people have been saved from the colors. The small tasseled fringe which nyasion of disease by a bottle of Aver's comes in cotton for edging curtains and

A Dead Shot

short time, I hope. I will give you my ame and place of business—Henry A. Sunden Deaths.

Heart disasse is by far the most frequent cause of sudden death, which in three out of four case is unsuspected. The symptoms are not generally understood. These are a habit of lying on the right side, short breath, pain or distress in side, back or shoulder, tregular pulse, asthma, weak and hungry spills, wind in stomach, swelling of authorized and interpretable or shoulder, tregular pulse, asthma, weak or a bill of fars. Here are some that one ing of authorized to the island for ix months by Justice Power, of the Toulis.

The next day the bunke man was sent to the island for ix months by Justice Power, of the Toulis.

The next day the bunke man was sent to the island for ix months by Justice or shoulder, tregular pulse, asthma, we always to the island for ix months by Justice of Anglo-Saxon intentions of the Toulis.

The next day the bunke man was sent to the island for ix months by Justice of the megas.

With the best of Anglo-Saxon intentions it is sometimes a little difficult to any the plant of the Toulis.

With the best of Anglo-Saxon intentions in cohermed, and hungry spills, wind in stomach, swelling of authorized the use of French terms in cookery are about the use of the megas.

With the best of Anglo-Saxon intentions and the proposition of the case of the megas.

With the best of Anglo-Saxon intentions are not generally understood. These are substituted in three out of the reason of the megas.

With the best of Anglo-Saxon intentions are not generally understood, the store of French terms in cookery or a builder to a business of the megas.

With the best of Anglo-Saxon intentions are not generally understood, the same of the megas.

With the best of Anglo-Saxon intentions are not generally understood, the same of the megas.

With the best of Anglo-Saxon intentions are not generally understood, the mean of the megas.

"Cheap wit" is a term which every great editor should have handy. It means the other fellew's wit.

He level his horse, even as an Arab weigh, and grered to see him sufer and die even as it he was human, as he listened when one told of Salvation Oil, and to day his horse is wall, and preceding the rots or roast meta. After the latter comes the entre-meta, i. e., awests or puddings.

The term hore d'euvre is the most dif-

Happy Hoeslers.

Wim. Thiomone. Postmaster of Idaville, Ind., writes: "Electric Biliters has done more for me than all other medicines combined, for that had feeling arising from Eliley and Liver troutils." John Lesille, farmer and stockman, of same place, says: "Fint Electric Biliters to be the best Kidney and Liver medicine, made me isellike a new man." J. W. Gardner, hardware merchant, same town, says: Biectric Biliters is just the thing for a man who is all run down and don't care ware merchant, same town, says: Elec-tric Blitters is just the thing for a man who is all run down and don't care whether he lives or dier; he tournd new strength, good appetite and feit just like he had a new lease on tife. Only 50c a bottle, at Heber's Lehighton; and Blery's Welssport.

And it did do it. Today every train-

When the young girl's father comes into the parlor and rodely turns off the gas we suppose the young man can safely regard it as time to fight out.

It as time to light out.

The old, old story, before marriage has these words in it. "It love you." The cld, old story after marriage has the same number, to wit: "Wanted—A cook."

Videl, one of the most framous has decade sculptors of France, was stone blind at the time when he executed some of his most fancess works.

Among the recent inventions is a calendar that will register for the mext two bundred years beside tailing any date figure within that period.

Resulting the Future.

Resulting the Future.

JIM AND JOE.

\$1.00 a Year in Advance.

Fee, there was Jim, and ours's you're born.
There noves was a better fellow:
When things went wroug he didn't grows,
Nor care als buch, one groom, sor believe
But—racking long the same old way—
Hed light his pipe and go to smokin,
Till things came round all right again,
With Jim still long-in and a-posin.

Then there was Joe; with him, you see, Sothin was ever gots squarely. Bedawear the world was now its end. Cause some one hand: 'trade't fairin. Ocod men were has about played out. The dayl's reign was drawing measure. Somehow—but why he could not tell— The world was growin queer and quee

And, as it happened, Jue was wealthy:
Jim, he was rather small and wealt—
Joe was a glant, strong and healthy:
Yet when it came to sheer contein,
And light in some one class trouble
By smilln o'er his own, why Jim,
Could just best Joseph more than double.
—Browne Ferriman in Yatikos Hiade.

Every man is a volume, if you know blow to read him.

Nerve and Liver Pilia.

An important discovery. They act on the liver, atomach and blowels through the marves. A new principle. They speedlly care blinousness, bad taste, torpid liver, pales and constipation Splandid for men, women and children. Smalles, millest, sures, 50 doses for 35 cents. Samples free at T. D. Thomas and W. F. Bierr's Drug Store. washed, it will still have the

though it were embroidery.

Any of the thin laces, especially Valenciennes, can be painted in several dainty tints, thus bringing out the pattern of Samaparilla. This medicine imparts tone to the system and strengthens every organ and fibre of the body.

Man will stand up for the weaker sex everywhere but in a crowded street car.

A Think Short.

"A pleasant smile and voice at the morning meal, a next costume with a Ermeste Charafa was celled a man of coppel.

These two exceptional beings began antarially like others: their requisition and. Some faced of Phoria and to here with a contract of the property like others: their requisition and their property like others. The problem man antarially like others: their requisition and their property like others are bright and their property of the following the substance of the property of the contract of the property of the property of the contract of the property of the contract of the property of the pr morning meat, a nest costume with a knot of becoming ribbon at the throat; a good dinner tastefully and promptly serred, a song or an agreeable book in the evening after tea," and a lot of other stuff like the above appears quite regu-larly in the papers as advice to married women relative to retaining the love of their husbands. I call it "stuff" because I do not believe the continuation of the

dish replacing another, a doubling, so to speak, of the same course before going on to the next. & is therefore not un-usual to find in a large dinner a releve de

meta, i. e., sweets or puddings. The term hors d'euvre is the most difficult to particularize. comprises all side dishes which are really accessories to the meal. As such they can be and are eaten indifferently either before or after the scop; they are always placed on the table when it is being laid. and are often left there until the entross have been served. They consistshes, clives, caviar, bond one ner of salt and smoked list,

anchovies and a variety of dainties.

Hot hors d'euvre are almost unlimited;
they are very acceptable at large din other From they are very acceptance at large curmers, and are generally served immediately after the soup and before the fish;
they are often fried or baked, and are
or six months then usually such things as on be diabed

I did try them, and now I am a well man and can eat snything. Sniphin Hitters are a great for to dectors.—George Bastett, N. Y. C. and H. R. Raliroad.

The Boy Who Discovered the "Saw By." A few years ago a green country boy applied to the superintendent of a west-ern railway for work, and, somewhat On one of his first trips it happened that his train met another freight train

A foolish pairedge few into the shop of a Connecticut tasidermist rectuity. Five minutes later preparations were being made to stuff and mount it.

that the thing was never done until an inexperienced country boy, who is now the manager of a great railway line worked out the problem for himself.

figure within that period.

\*\*Randaome Versus Hemstr.\*\*

\*\*Who is that fine looking lady that we just passed. Clara? Why, that is Mrs. Show. Well, there, what a change when I now her last, her akin was so sallow and middly looking, it's no wonder I didn't know her. What has produced that look in the fingers, whose her. What has produced that look is winging it three times over her head sulphur filters, the result Blood Purifier, and how would not be without them. I will surely full in the shape of the initial of his name. Now York Herald.
