The Carbon Advocate LEHIGHTON, PENNA. Rates for Logal Advartistog :

SATURDAY, FEBRUARY 6, 1882.

To Delinquents.

Tou set the Carson Advocate by mail, just look at the direction tab on your paper, and you will see just how much you are indebted for the paper; semit the same by Postal Note, Money Ordor or Greenbacks without delay. We need the money—a dollar or two to sach is not much, the aggregate to us amounts to hundreds of dollars. Come, gents, peny up. Address. H. V. MORTHIMER, Prop.

Delinquents living in this neighbor-bood will picase call and settle, and save 25 cents for cellection.

JOHN W. PARKER, OF THE Mahanoy City Tri Weekly Record, has retired from the editorial management of that paper. His son, John W., Jr., assum sontrol. We are sorry to see the old man retire

It is gratifying to note that me ears and attention is being given to the granting of naturalization papers by the judges of our courts in general. The other day in Philadelphia Judge Gordon refused naturalization to three
would-be cilizens on account of dense
a hotel and west to New Jersey and wer name of this country, another said the United States was John or Richard Smith, he was not sure which, and the third, in answer to a question, said the laws were made by Jim Blaine and Dave Hill.

WHY HAVE WE A CORONER? If Justices of the Peace and others have the power of holding inquests on the bodies of persons dying under pe culiar and questionable circumstane where is the reason of electing a Co as it is at present. The Coroner gives faithful performance of duties which are taken out of his hands and gobbled up by local justices. This system should be stopped at once and the Coroner, who is the legitimate officer, ent Coroner is an able and capable physician and if his services are needed he should at once be notified. There is no county in the state where the

The question of equitable assess ment is receiving some little attention not only in Carbon county, where the from the very beginning, but in adjoin ing counties judging from the tenor o editorial expression of many newspapers that reach this office. The remedy amelloration differs quite widely but the promised balm of gilead is in
the suggestion of Editor Buckley, of
the Freeland Tribune, who advises the
Sebastian Horn, aged sixty. Triesbach but the promised balm of gilead is in taxing of land values only. This is the Henry George idea of taxation and were it not for the poculiar notoriety of this individual the plan might not only soon become popular but is might also become the system governing taxation throughout the United States. In some unaccountable manner the Pattiese Calls for All. Benry George idea of taxation and some edded as an association of filmsy dogmas, that this is quite wrong, only those know who are familiar with the theoretical teaching of this individual. There is one thing quite sertain, if the George theory of taxation predeminated to the Fresheld and James McCann, who were stated of two today there would be equitable assessment, if would take the taxes from poverty stricken farmers and placed to the tropic of the mineral lands of the expression, who is the same and proposed to the form the month of the season of the state to seed of the month of the season of the state of the form the month of the season of the state of the form the month of the season of the state of the form the season of the state of the season of the state of the form the season of the state of the season of the season of the state of the season of the state of the season of the state of the season of the season of the state of the season of the state of the season of the state of the season of the season of the state of the season of the state of the season of the season
