OPEN, TIME. Djust, Tiline, and let him pass.
Shortly wimes his reet would had.
Like a leaf at Michaelman.
Swooning from the tree.

Ere the home, the county sains Trenthles in a sure durrence Nor the body now can find Any hold on peace.

Take tilm, weak and overworm. Fold about his dying dream. Engleed, and the April morn. And the brawling stream. Weather on a sunny ridge, Shawery weather, for from here, Under some deep isled bridge Water dancing clear,

Water quick to cross and part (Golden tight on silvery sound). Weather that was next file heart All the world around. Soon upon his vision break These, in their remainlered blue His shall toll no more, but wake Voung, in air he knew.

He has done with roofs and men.
Open Time, and let him pass.
Vagos and innocent again.
Into country grass!
—Lettas Guinsy in New York Independent.

Impressions are conveyed in writing by appeals to the imagination of the reader. The successful writer brings a picture before the mind, and the related knowledge may be like the frame to set off the picture, or like new rays of light thrown upon the canvas to give it vividness. The value of this related knowledge is well illustrated in Macaulay's description of the trial of Warren Hastings. He throws upon the description the light of his vast crudition. He stimulayes is imagination by all these wide Macaulay's Power semblage, and we are filled with admira-

I can show the public that the have been paying outrageous prices for ergans and planos.

Come and see me before buying else-

Heaven for same.

There is said to be a peculiar religious society, the members of which believe that human beings of today are to cecupy heaven as animals when their souls depart from earthly tenements, and that sumb brutes on dying will be transfermed into mankind.—Philadelphia Ledeer

It is estimated that in the just twelve years Paris has invested \$270,000 on statues and \$55,000 on ornamental foun tains.

T. Sidney Cooper, the English animal painter, says that he often made valuable studies in Cumberland at places where Scotch drovers haited with their cattle for the night. On such occasions he often had a chance to see illustrations of an animal's intelligence as well as of its physical perfection.

One day when there was a pouring rain a man consented to sit for me at the

One day when there was a pouring rain a man consensed to sit for me at the inn where I was staying. He brought his collie with him and both of them were dripping wes, so he put off his plaid and laid it on the floor by the dog. I made a very auccessful sketch of the man, but before I had finished it the dog grow fidgety with the wet plaid, and his master said, "Tak' it awa' montak' it awa'."

Oh, yes, mon," he answered, "he'll

Mrs. Actor's Lingeria. The cedar chests in the Astor mansion which contain the apperb underwear of the queenly life. Astor are perfect household comments in themselves, with deep hold or an extended to the contained hold commence in themselves, with deep engraven gold lockers with the initial "A" wrought in finest carving upon its surface. Inside the chest, nearly folded in wells of choicest inco, are the dainty garments of society's queen. Each week, as they feave the ironing sheet, they are laid within the chests to await the bidding of the owner. Every spicle of this super's wardrobe its sittlebed by hand, and no materials but the pursait and finest of linear and cambrica are used. They are all claborately trimmed with lovely point and duchoese lacus, and the initial "A" is daintily embraidated on every article.
