By the without pain or discomfort if the time.

That's it; suffer in ellence—misunderstood—when there's a remedy—Dr. derece's Envoires Prescription—at hand and lend in experiment, but which is old, by druggless, under the generalize that if you are discreptioned in any way with it, you get your money back by applying to its makers.

A signal service to weak womenhind is the finding of lost health—the building up of a "run-down" restems. Nothing does it so surely as the "Parolite Prescription." None like it!

For overworked, debilitated women, teachers, milliners, somatreeses, "thop-girle," rursing mothers—one and all are cured by it.

There is a difference to between skiling for the fire and thinking about a cured by it.
