Among the streets of New York are those to be seen at the docks. It is as interesting to look at a steamship load of Americans bound for European immigrants coming into port. The outward-bound Americans are upt to be less picturesque in their garb than the incoming foreigners. It is estimated by the agents of the steamship companies that more than 100,000 Americans will visit Europe this year, and that at least six times as inany Europeans will come to the United States.

The Silver Conference. The Silver Conference.

Washington, May 4.—It is understood that negotiations for the international silver conference are processing very favorably. The feeling among the Bepublicans is that this will prove extremely advantageous to be party and, with the failure of the Democrats to pass the free coinage bill, will put the Bepublicans in favor with the aliver men. Congressinan Bartine, of Novada, says the silver people of the west are greatly pleased with the president's letter and the prospects of an international conference.
