We need the money—a dollar or two to each is not much, the aggregate to us amounts to hundreds of dollars. Come, gents, pony up. Address: H. V. MOITHEIMER, Prop., Lehigh, Pa.

It is announced that Hon. Allen Craig, of Mauch Chunk, is a Democratic candidate for Congress from this district. Mr. Craig is an talented gentleman and would represent the district with distinguished ability.

EVERY TAXPAYER in the county smiles when the tax levy is reduced, but the smile turns just as quickly to a frown when the tax levy is raised. That is why some are kicking at the increase of one mill in the county tax rate. The horsepox shows a need of retrenchment some where.

In this week's issue Burgess H. J. Kuntz announces himself formally to the Republicans of Carbon county as a candidate for Assembly. The Republican could go a long way and fare much worse in a choice of candidates. Mr. Kuntz is a shrewd, aggressive and a very popular Republican, and his pushing, enterprising spirit has won him many friends not only in the Republican party but also with the Democrats, and the latter party must look well to their choice if they want to name a winner this year. Of course, Mr. Kuntz is not yet nominated, but all the chances are in his favor and he will likely head the Republican county ticket this fall. If nominated he will poll a large vote here.

THE DISPOSITION on the part of some few Democrats to keep up the factional discord which defeated the party last year shows only one thing—a lamentable lack of commonsense and can not be too severely commended. While both factions claim to be "regular" both therefore should make some concessions for a peaceful settlement of the difficulty at an early date as possible in order that the Democratic party may march boldly forward with one flag to a certain and common victory in November next, if it is not done there can be but one result and that is a disastrous defeat. Whilst possibly this would cost some few in both factions it would result in no benefit to the party organization. All personal feeling should be subordinated in fact, all personal feeling will be subordinated by loyal Democrats to the best interests of the party. Now is the time to begin the work of re-organization; now is the time to brace up all along the line, so that the one convention will be able to pick a good, strong and respectable ticket before the people at the August or September convention. Those who stand back on a peaceful settlement of all difficulties may be the ones who will most regret it at a not far distant day.

Those who advocate discord are traitors.
